By

THE MAYOR OF THE CITY OF AMARILLO

WHEREAS, on March 13, 2020, Texas Governor Greg Abbot declared a state of emergency related to the outbreak of COVID-19 and suspended multiple state statutes and rules to promote social distancing protocols; and

WHEREAS, President Donald Trump declared a State of National Emergency for the United States of America on March 13, 2020; and

WHEREAS, on March 18, 2020, The Mayor of the City of Amarillo declared a local disaster; and

WHEREAS, on March 18, 2020, the County Judges of Randall and Potter County declared a local disaster; and

WHEREAS, on March 24, 2020 the Amarillo City Council continued the Mayor's Declaration; and

WHEREAS, it is imperative that the Local Health Authority and the City of Amarillo Public Health Department receive the most up to date information concerning all aspects of COVID-19 testing conducted at public, private and commercial laboratories in order to better coordinate communication and response to a local and state disaster;

WHEREAS, Section 81.042 of the Health and Safety Code requires that laboratories communicate and report instances of communicable infectious disease to local public health authorities.

WHEREAS, I now issue this First Amended Declaration of Disaster to implement restrictions to help combat the spread and impact of COVID-19 in the City of Amarillo; and

the fight against Covid-19; or (iii) attempting to assure essential businesses remain available to serve the public despite the restrictions ordered herein.

NOW, THEREFORE, PURSUANT TO THE AUTHORITY VESTED BY TEXAS GOVERNMENT CODE CHAPTER 418, THE AMARILLO CITY CHARTER, AND CODE OF MUNICIPAL ORDINANCES THE MAYOR DOES HEREBY FIND AND ORDER
