Downtown Middlebury is seeing a lot of bridge construction this summer. Imagine what it was like when Main Street's Battell Bridge was built in the early 1890s! Read the story here.

Stroll downtown Middlebury and view Pippin on the Sheldon's porch and Gravity the Elephant on the Town Offices terrace wearing colorful masks.
Also, the Sheldon Museum is exhibiting dozens of handmade cotton masks which were also created by the group *Sewing for Change.*

**PLEASE NOTE:**
Due to ongoing concerns about COVID-19, The Sheldon Museum, Research Center, and Store are closed temporarily.

*The staff is working remotely.*
