

Success for us is being proud of what we achieve and how we achieve it.

Mosaic Forest Management is a Canadian leader in sustainable timberlands management created through the affiliation of Island Timberlands and TimberWest (in 2018) and has operated on British Columbia's Coast for more than 100 years. We strive to be a global leader implementing the latest innovations and technologies across our operations, with our people and their safety and wellness as our highest priority.

The Opportunity

Mosaic is growing and seeking a **Planning Forester** to work out of our Nanaimo office on Vancouver Island, British Columbia (Consideration will also be given to candidates located in Vancouver).

The Role

Reporting to the Manager, Forest Inventory & Estate Planning, the Planning Forester will support the development of landscape level plans while keeping a high standard for safety, environment, quality, productivity, and cost. Specific responsibilities include, but are not limited to:

- > Landscape level tactical planning for timber harvesting and access over a 10-year horizon;
- > Conducting remote and field-based reviews of plans to verify forest inventory, strategies for access, and harvesting operations; and
- > Providing Business Partner support including
 - Maintaining harvest planning information such as costs, prices and constraints
 - Liaising with multiple departments to assess plans against management goals, constraints, and long-term sustainability objectives.

Required Skills and Experience

- > Undergraduate or graduate degree in Forestry or related discipline;
- > Registration with the ABCFP as RPF/RFT (or RPF/RFT eligible);
- > Experienced in forestry operations, forest planning, cruising, &/or forest inventory;
- > Advanced computer skills and systems knowledge (i.e. GIS mapping and editing and MS Excel);
- > Excellent oral and written communication skills, project management skills and attention to detail;
- > Ability in engaging diverse teams and senior leadership as well as the ability to work independently; and
- > Knowledge of Forestry Information Systems (FIS), Remsoft suite of planning tools, and LIDAR would be beneficial, but not essential.

What You Get

Living on Vancouver Island surrounded by the Pacific Ocean on the west Coast of Canada. We offer a comprehensive and competitive benefits package which includes a company pension, health and dental coverage, accident and disability insurance, paid vacation and health and wellness incentives along with several other benefits and perks.

Please submit your cover letter and resume to careers@mosaicforests.com by February 8, 2021. Use "Planning Forester – YOUR NAME" in the subject line.

About Mosaic

Mosaic Forest Management manages the forest planning, operations, and product sales for TimberWest and Island Timberlands, delivering sustainable forest management within their private forest lands and Crown tenure areas. All forest lands are certified under the Sustainable Forestry Initiative (SFI).

Mosaic employs several thousand people directly and indirectly to achieve strong economic, social and sustainable outcomes from the working forest. We are Canadian owned by major Canadian public service pension funds.

Mosaic was the first forestry company in BC to achieve Progressive Aboriginal Relations Bronze Certification and then Silver Level Certification. Also, the first forestry company in the world to include the supply chain in its carbon accounting and recently certified by the Carbon Trust for our carbon accounting across the company's entire supply chain.

We are an equal opportunity employer committed to diversity and inclusion and welcome all interested applicants to apply.
