The mission of the Racine Community Foundation is to enhance the quality of life for the people of Racine County by encouraging and providing opportunities for charitable giving and by managing and distributing the funds in a responsible manner.
Message

Never underestimate small things. Take the two little words thank and you. Together they are powerful. However valuable a gift, whatever the act of kindness – thank you – is an appropriate and priceless response.

Thank you for reading with me, for the homemade scones, for the exquisite bracelet, for the ride to the doctor, for admiring my garden – it was hard work. Thank you for being patient with my father. Thank you for being here.

At our best, we want to do for one another. It’s gratifying to hear that something would have been impossible without our help. It is equally rewarding to accomplish things by working with others.

That’s the power of community. It’s the uniqueness of a community foundation, making this a place where people want to live. The social service, cultural and educational organizations that knit together the fabric of a unique and resilient city like Racine are a legacy of generosity. Grateful people who want to assure that our community thrives and who dedicate themselves to this purpose. They operate businesses, teach our children, run for office, and look out for one another.

The family of Mae and Duke Dickert remember them lovingly as people who always looked out for others, even when they didn’t have a lot themselves. If Duke happened upon a hungry man, he brought him home to dinner. In 2004, their son Jim and daughter Cathie wrote to the extended clan, “For several years, we have been thinking, sometimes aloud and sometimes to ourselves of how we might honor them in a way that would live beyond one generation and that would carry forward a tangible expression of the compassion and giving with which they lived their lives.” With that the Duke and Mae Dickert Family Fund was created. Every year family members make voluntarily contributions and help decide how this donor advised fund will support education for youth or health and human services organizations in Racine.

Gratitude

*The quality of being thankful; readiness to show appreciation for and to return kindness.*
List of Funds

The success of the Racine Community Foundation is the result of its responsiveness to the needs of the community – not only as a grant-making organization, or networking resource for other non-profits, but also as a base for those who seek to begin or grow their charitable giving.

The following fund categories are meant to offer flexibility so that you can reach your charitable goals and participate at a level that is right for you.

**Administrative Funds** Investing in the foundation

These funds provide critical administrative support for the Foundation. A minimum of $10,000 establishes the fund.

**Designated Funds** Supporting organizations you care about

These funds ensure long-term annual support for one or more tax-exempt nonprofit organizations. A minimum of $10,000 establishes the fund.

**Scholarship Funds** Investing in student potential

Scholarships help students achieve their educational goals. Donors can help establish scholarship criteria and the Foundation administers the funds. A minimum of $20,000 establishes the fund.

**Field of Interest Funds** Aligning your values with high-impact opportunities

These funds give donors the opportunity to provide long-term support to broad areas of interest served by the Foundation. A minimum of $10,000 establishes the fund.

**Organization Endowments**

Racine non-profit organizations are turning to the Foundation to manage their financial resources. With a strong investment policy, the Foundation works to maximize investments while also working to provide stable income for use by its community partners. Endowed funds require a minimum of a $10,000 balance.

**Racine Zoo**

The Racine Zoo is one example of what makes our community special. The zoo was founded in 1923 when local businessman, Jacob Stoffel, Jr made a gift of three monkeys to the city. Soon after, a zoo was established in Island Park. Through the years, countless individuals and companies have donated time and financial support creating a home for almost 100 different species from Wisconsin and the world. Each year, more than 125,000 visitors seek out the Racine Zoo, one of 225 nationwide accredited by the Association of Zoos and Aquariums. They marvel at the animals, enjoy the landscape and the splashing fountain; they listen to jazz in the summer and are delighted by the Kiwanis/Wheary Lights during the holidays. Events and camps entertain adults and children. The support of our community that makes all of this possible.

Since 1997 with help from our generous donors, the Foundation has provided grants to the Zoo totaling more than $1.3 million to assist with the daily care and medical...

attention that the animals under their protection require. Beth Heidorn, Executive Director of the Zoo, has this to say about working with the Racine Community Foundation, “The support that the Racine Zoo receives from the Racine Community Foundation is amazing! The gifts are always meaningful and heartwarming and they help the Zoo continue our good works with animal care and creating memories for our guests. It is an absolute pleasure to work with the RCF team.” We are fortunate to have a zoo in a community our size and RCF is proud to assist in making it a wonderful feature for all those who visit it.

“Gratitude unlocks the fullness of life. It turns what we have into enough and more. It turns denial into acceptance, chaos to order, confusion to clarity. It can turn a meal into a feast, a house into a home, a stranger into a friend.”

– Melody Beattle
The assets that have been entrusted to the Racine Community Foundation are managed to address the primary objectives of meeting our spending goals and long-term growth. The Foundation’s spending and investment policies are clearly memorialized and overseen by the Board of Directors.

The Investment Committee works with a professional investment advisor to manage the portfolio according to the Foundation’s Investment Policy and benchmarks the portfolio to similar sized foundations and market indices.

Due to the generosity of our donors, we were able to award over $2,800,000 in grants with the vast majority benefitting Racine County.
