Looking Forward GIVING BACK

Annual Report 2022
Live in the Moment

The mantra – live in the moment – has strong appeal in a world chock-a-block with unrelenting crises: the deteriorating global climate, the most dangerous conflict in Europe since World War II, increasing gun violence and more. It invites us to calm down and appreciate who we are, what we do, and those who share our lives. Looking forward, our community has a tradition of action, identifying and responding to challenges with creativity and generosity. This is how we live in the moment.

The Racine Community Foundation (RCF), in partnership with a full spectrum of community organizations and hundreds of generous donors, has focused on making our community an exceptional place to live since 1975. Yes, the people of Racine have needs. But we also have organizations with the expertise to address those needs. And, good and generous people step up and donate the resources it takes to help these organizations do their work to make lives better. The RCF proudly helps bring needs and resources together for: education (scholarships and educational programs), the arts (visual and musical), housing programs, mentoring programs, medical services and so much more.

Over nearly 50 years, we’ve seen how the present becomes the future. Our beautiful community is only possible because someone – some “ones” – were looking forward. They were also giving back. The area of educational access is one example. At the Foundation, we’ve seen it time and again. Promising young students receive much-needed scholarships. Down the road, they become teachers or trades persons, mentors, entrepreneurs, active and involved parents. Enriching early educational experiences, donors have helped young people develop their full potential and become invaluable, contributing members of the community.

Organizations in Racine depend on donors’ generosity to fulfill their missions. At the same time, those charitable gifts bring donor’s own missions to fruition. Walter Smolenski, Jr., was one such donor. A nationally acclaimed classical violinist, he later operated the real estate business founded by his father. Deeply proud of his family’s Polish roots, Mr. Smolenski established The Walter S. Smolenski, Jr. and Sr. Polish History and Culture Fund in the RCF to celebrate that heritage. Thanks to this fund, each year Racinians attending the Racine Symphony, can experience a concert of Polish music. In Mount Pleasant, his gift created Smolenski Park, a 70 acre refuge featuring a restored prairie, restrooms, shelter, rental space for private parties, and picnic tables for residents to enjoy.

This donor wanted to share the culture he was so proud of with his community. Like him, many others have strong ideas about how they want to work with us to benefit Racine. Some choose a designated fund and define one or more purposes. Others create advised funds and support different organizations every year. Still others create funds and then depend on our volunteer grantmaking committee to decide how their gifts can be best allocated to meet the funding requests the RCF receives annually.

The Racine we enjoy today – from the shores of Lake Michigan to the far western reaches of this, Wisconsin’s fifth largest county – is shaped by the hard work, dreams, and investments of those who preceded us. Racine is a special place. The talent and generous spirit of so many has helped make it so. They were looking forward, they saw the challenges, and they gave back. We trust many more will join them and the momentum will continue.

– from Eric Olesen, Board Chair and Liz Powell, President & CEO

Our MISSION

The mission of the Racine Community Foundation is to support the people of Racine County by providing funding to Racine County’s hard working nonprofit organizations and students, and responsibly stewarding our endowment and all gifts entrusted to it, so we may continue to partner with our donors to provide this funding forever.
List of FUNDS

The success of the Racine Community Foundation is the result of its responsiveness to the needs of the community – not only as a grant-making organization, or networking resource for other non-profits, but also as a base for those who seek to begin or grow their charitable giving.

The following fund categories are meant to offer flexibility so that you can reach your charitable goals and participate at a level that is right for you.

Administrative Funds Investing in the foundation
These funds provide critical administrative support for the Foundation. A minimum of $10,000 establishes the fund.

Designated Funds Supporting organizations you care about
These funds ensure long-term annual support for one or more tax-exempt nonprofit organizations. A minimum of $10,000 establishes the fund.

Field of Interest Funds Aligning your values with high-impact opportunities
These funds give donors the opportunity to provide long-term support to broad areas of interest served by the Foundation. A minimum of $10,000 establishes the fund.

Named Funds Flexibility to meet changing needs
These funds allow the Foundation unrestricted flexibility to respond to changing and emerging community needs. A minimum of $5,000 establishes the fund.

Scholarship Funds Investing in student potential
Scholarships help students achieve their educational goals. Donors can help establish scholarship criteria and the Foundation administers the funds. A minimum of $20,000 establishes the fund.

Acorn Funds Investing in the community
Attractive to many donors, Acorn Funds are built over time with tax-deductible contributions as little as $50 per month. Fund earnings are reinvested, enhancing tax-free growth until a pre-determined fund level is met and it converts to a grant-making fund.

Donor Advised Funds Personalized giving
Donor-advised funds help donors or their designees play an active role in charitable giving. The foundation retains final discretion regarding distributions, but donors can recommend gifts to their favorite charities. A minimum of $10,000 establishes the fund.

Organization Endowments
Racine non-profit organizations are turning to the Foundation to manage their financial resources. With a strong investment policy, the Foundation works to maximize investments while also working to provide stable income for use by its community partners. Endowed funds require a minimum of a $10,000 balance.
The Racine Community Foundation (RCF) and the Racine Art Museum (RAM) have a rich and strong partnership that dates back to 1988. RAM operates two campuses in our community: the Charles A. Wustum Museum of Fine Arts, and the Racine Art Museum. In 1938, Jennie Wustum donated her house and 13 acres to the City of Racine, as she wanted to honor her husband’s memory by creating an art museum and a park. In 1941 the Charles A. Wustum Museum of Fine Arts was created and has been a fixture in Racine ever since. The Museum’s collection out grew the Northwestern Avenue location and as a result a downtown bank was donated and renovated to better accommodate what has become the largest contemporary craft collection in any North American museum.

Both locations are very popular and attract guests locally and beyond. The Wustum location serves as the studio education center with exhibitions from local and regional artists and RAM serves as the exhibition space for artists known nationally and internationally in the field of contemporary craft. Both campuses attract an average of 48,866 guests annually. RAM is considered a leader in providing highly regarded exhibitions and related arts education to people of all ages and abilities since the 1940s.

In addition to studio art classes and exhibitions, RAM provides free outreach and school programs, supports local and regional artists, hosts free drop-in art-making programs at both campuses, and a variety of virtual tours and programming. Also included in the vast array of offerings, RAM has a nationally recognized program called SPARK! that provides cultural experiences for memory-impaired adults and their caregivers.

Over the years, RCF has provided funding for equipment for children’s classes, installation of a new sign for Wustum, various exhibitions, Downtown Outreach, SPARK!, RAM on the Road, Women of Worth, RUSD’s 8th Grade Zero Waste Initiative, and general operating support.

Bruce Pepich, Executive Director and Curator of Collections at RAM has this to say about the partnership with RCF, “We have been honored to partner with Racine Community Foundation for so many years and are grateful for their generous support of our exhibitions and programming. We thank the RCF donors, Board, and staff for their enthusiasm and leadership in assisting so many worthy nonprofits in our community.”

RCF is proud to have such a long-standing relationship with a community asset such as RAM and we are looking forward to many more years of collaboration and partnership!
