HOUSE RULES

ONE

Please respect our neighbours and our neighbourhood. We love Newtown and the people who live here, so please keep your voices down when you're outside and don't take your drinks out or litter.

TWO

Don't be creepy.

THREE

When you've reached your limit, be cool and cut yourself off. This will save us all an embarrassing conversation. Sleep comfortably knowing that we look forward to seeing you another day.

FOUR

Don't be afraid to engage your neighbour. Let's all get along and have fun. (Caveat - see rule two)

FIVE

If Zunga Zeng by Yellowman plays, there will momentarily be no bar service. At least for the first verse anyway.
