GREAT BRITISH HAM FROM FARM TO FORK

RSPCA Assured previously Freedom Food, is the RSPCA's farm assurance and food labeling scheme. Wessex County Gammons high welfare RSPCA Assured cooked ham range comes from pigs which are born outdoors at West End Farm, situated 700ft above sea level in the picturesque Wiltshire hills. The Naughton family have been producing pigs outdoors since 1958. The sows are free to roam outside in social family groups. Housed in large straw yards the younger pigs have space to forage and play, demonstrating their natural behavioural characteristics.

Cameron Naughton's English Pork received the Compassion in World Farming Good Pig Award in 2013 in recognition of their commitment to high animal welfare standards. In 2015 they were awarded the Pig and Poultry Marketing Pig Producer of the Year Award in recognition of their commitment to produce the best possible conditions for their pigs. The RSPCA's welfare standards cover the whole of an animal's life, from their health and diet to environment and care. This includes things like bedding, transport, space, light and humane slaughter.

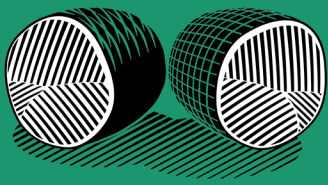

WESSEX
COUNTRY GAMMONS

Quality first and foremost...

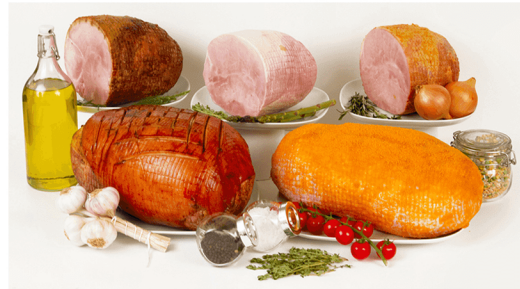

Wessex Country Gammons started making quality cooked hams at Vines Close Farm in Wimborne, Dorset in 1987. From our humble origins we now served all manner of food businesses and wholesalers the length and breadth of the land.

We take care to craft our ham to the highest quality and have an impressive slicing and packing capability which enables us to meet the demands and high expectations of our customers.

Wessex Country Gammons know there is no compromise where safety and traceability are concerned; Therefore we carefully source pork from the UK and Europe from only the most reputable accredited suppliers.

Why Wessex?

- ♦ 28 day shelf life, on all ham products
- ♦ Own branded labelling
- ♦ Efficient turnaround
- ♦ Professional
- ♦ Customer service is second to none.
