Radish Chips

Radish chips can be made by frying, air frying, and baking. In this recipe we'll be baking our radishes for a healthy, crispy snack. Radish chips can be enjoyed right out of the oven, and also used as a topping for salads or baked potatoes.

**Ingredients**

- 10-15 radishes
- olive oil spray/cooking spray
- 1 tsp onion or garlic powder
- salt and pepper
- fresh parsley or green onions

**Directions**

- Wash radishes
- Slice radishes thinly
- Spread slices on a lightly oiled sheet pan
- Sprinkle with salt, pepper, and garlic/onion powers
- Bake in oven at 375 degrees for 10 minutes. Flip slices and bake for another 5-10 minutes until golden brown and crispy.
- Sprinkle with fresh parsley or green onions and enjoy!
