7th Annual Blowing Rock Plein Air Festival

The Blowing Rock Plein Air Festival is a four-day, open-enrollment plein air painting event. It takes place in the beautiful mountainous area in and around the town of Blowing Rock in western North Carolina from **Tuesday, August 20th, to Saturday, August 24th, 2024**. Its aim is to bring painters from around the country together to paint outside in the fresh air while getting to know each other and sharing their work in a stunning location. The event prompts applicants to explore the unique Blowing Rock architecture, spectacular Blue Ridge Mountain views, and feeling of being in Appalachia—one of the most scenic areas in the country.

After four days of painting "en plein air," artists are invited to display their completed works at the **"Wet Paint" Art Show & Sale on Saturday, August 24th**. Collectors and the public are invited to attend this impressive display of Plein Air paintings to both view and purchase the unique works that highlight the beauty of the High Country. In 2023, 650 people viewed the sale, purchasing 128 original artworks on the opening day with many more museum visitors shopping the extended sale through September.

All art submitted to the show must be for sale and will be entered into a judged plein air painting competition. Wet Paint Sale shopping reservations will be made available Spring 2024. Individuals and businesses may sponsor the event for tickets to the Wet Paint Preview Sale for the earliest possible shopping/viewing of artwork. For sponsorship information, contact Jennifer@BlowingRockMuseum.org

What to Bring

- **Canvas/paper**: Keep in mind sizing for your plein air framing.

- **Frames, screws, wire**: All pieces for the show/sale must be wired to hang (no sawtooth hangers) Stamps should be visible on the back of the artwork. Please use open back frames.

- **Paint and palettes**: Are you a "less is more" or "everything but the kitchen sink" painter?

- **Brushes, paints, pastels, pencils, knives etc.**: Forget something? Lucky for you there is a first rate art supply store a stone's throw away at Cheap Joe's Art Stuff Outlet Store, located at 374 Industrial Park Drive, Boone, NC 28607.

- **Rain gear**: Blowing Rock receives an average of five inches of rain in August. Those passing showers create some dramatic sky lighting conditions perfect for capturing on canvas.

- **Sun protection**: Other days are likely to be sunny and pleasant, with highs in the low 70's. Dress accordingly in layers and don’t forget the sunscreen. At an elevation of 3,000-5,800 feet, you are that much closer to the sun’s rays.

- **Cool weather gear**: Lows of the 50's are common, so bring a jacket for those cool mountain breezes. Morning dews are common and make for magical painting conditions.

- **Sturdy shoes**: Some of our vistas are easily reached from roadsides and sidewalks. But many more await a short hike away. Mountain terrain can be a challenge, so please be prepared for a variety of conditions.

- **Easel, tripod, umbrella, chair, etc.**: Bring your preferred arrangement, being aware that mountain breezes can be surprisingly strong.

- **Paper towels** as well as bags for trash and emergency rain shields.

- **Camera** to record the scenes you might not get to paint in one weekend.

- **Bulldog clips**, tape, bungees, or whatever your method is to secure your painting & accessories.

- **Brush washing solvents** or water and containers—bring a spare in case of spills.

- **Small sketch pad**, tools and viewfinder

- **Backpack** and/or box to carry everything.

- **Water and snacks**: Blowing Rock also has a few market and restaurant options.

- **An open mind** to paint in new locations and conditions!
