Please visit NORC at the University of Chicago for more information.

The COVID Impact Survey is funded by the Data Foundation with support from the "Top NET" and "Bot NET".

Respondents are offered a small monetary incentive for completing the survey. The questionnaire is available at:

ECON5A. Please indicate whether the following statements were often true, sometimes true, or never true for you or your household.

PHYS5. Has a doctor or other health care provider ever told someone you live with that they have COVID-19?

PHYS10. There are some options for testing and tracking people who may have COVID-19 in order to help slow the spread of this infection. Please choose the best answer:

ECON7. Suppose that you have an unexpected expense that costs $400. Based on your current financial situation, how would you handle this expense?

SOC1. We'd like to know how much you trust people in your neighborhood. Generally speaking, would you say that you can trust all, mostly, some, or none of the people in your neighborhood? If you say you can trust none of the people in your neighborhood, please rate the level of safety you feel in your neighborhood on a scale of 1 (low) to 10 (high).

HHINCOME. Household income

RACETH. Race/ethnicity

N = 369
