FORWARD DANE NOW IN PHASE 2

As we enter Phase 2 of the Forward Dane (COVID-19) NewBridge will continue to proceed slowly in reopening our programs and services. Many of the older adults who attend our programs or use our services are at higher risk of contracting the coronavirus and there remains a lot of uncertainty about the virus and what impact it will have for the remainder of this year.

The Forward Dane plan in place in Dane County is working and has gradually reduced the number of people contracting the virus. The plan adopted by NewBridge is based on the Forward Dane plan. There is nothing more important to NewBridge than the safety of the older adults in our community, so we will err on the side of caution every step of the way during this pandemic.

NewBridge is committed to promoting the health and safety of our participants and staff. We will not rush to open programs or activities that put people at risk.

For more information regarding reopening, please see page 8.

NewBridge offices are CLOSED Friday, July 3 for Independence Day.
MISSION
Providing older adults a bridge to successful aging.

VISION
A Community Where All Older Adults Live Their Best Life.

A LETTER FROM THE DIRECTOR...

NewBridge Commitment to Anti-Racism
We stand in solidarity with the black community in protest over the recent murders of George Floyd, Ahmaud Arbery and Breonna Taylor. Many black older adults have experienced years of race-related stress. They have felt routinely unseen, unheard, and misunderstood when trying to access services or community resources. The fact that some obstacles still remain is senseless and inexcusable. The ongoing systemic racism that black people experience every day needs to end.

NewBridge and our partners have been addressing inequities faced by black older adults in the community for decades. It is crucial, now more than ever, that we stop the unacceptable disparities among our most vulnerable populations. We need to step up our work together to address these issues by working with affected communities and providers who serve to make impactful change. NewBridge will engage in opportunities to listen, learn, and be more active in promoting antiracism in our organization and in our daily work with older adults.

Summer Concerts On Hold

The June and July concerts have been cancelled. Phase 2 of the Forward Dane guidelines imposed by Dane County restricts the number of people allowed at outdoor gatherings to 100. In Phase 3 of Forward Dane up to 250 people are allowed to gather together outdoors. Because our concerts typically draw between 350-600 people we are not permitted to hold the concerts at the Warner Park Shelter. NewBridge is working on alternative ways to hold the concerts in hope that you may still be able to enjoy the concerts in the coming months.

We appreciate your understanding and will keep you posted.
The following NewBridge services/programs will reopen beginning in July (unless otherwise noted):

- Our Case Managers will begin home visits as necessary beginning Wednesday, June 17, with everyone required to wear necessary protective equipment. However, preferred contact will continue by phone or email.

- Foot Clinics will open up gradually beginning Wednesday, June 17, with everyone required to wear the necessary protective equipment. Call the office for more details or for more information, see page 14.

- In-home, Home Chore services may resume gradually with everyone required to wear the necessary protective equipment.

- Some NewBridge small groups/activities will gradually resume but are limited to 10 or less participants with everyone required to wear the necessary protective equipment. Consult our website and Facebook page for more details.

- The NewBridge loan closet at 4142 Monona Dr. will resume with everyone required to wear the necessary protective equipment.

- Volunteer Guardian/Representative Payee volunteers may resume home visits, with everyone required to wear the necessary protective equipment. However, preferred contact will continue by phone or email.

The following NewBridge services/programs will remain closed during Phase 2:

- All congregate meal sites remain closed.

- All exercise classes, the monthly Cultural Diversity groups, and group activities with more than 10 people will remain suspended. NewBridge is offering some on-line classes and programs. For more information, see page 10. Consult our website and Facebook page for more details.

- No large group activities and events, including the Summer Concert Series at Warner Park.

- NewBridge offices remain closed to the public, except for the loan closet, until Phase 3. Our phones are staffed Monday-Friday, 8 am to 4 pm. NewBridge is limiting the amount of staff in our offices during Phase 2 to 50% of capacity.

NewBridge is committed to promoting the health and safety of our participants and staff.
Senior Farmers’ Market
Vouchers and Distribution

Due to COVID-19, distribution of farmers’ market vouchers will be predominantly through mail.

The Area Agency on Aging of Dane County offers vouchers to seniors for use in purchasing $25 worth of fruit, vegetables or herbs at farmers’ markets and roadside farm stands in Wisconsin during the 2020 season (June to October).

The vouchers are distributed on a first come/first serve basis to those 60 or older, who have gross incomes under $23,606 per year (or $1,968/month) for a one person household and $31,894 (or $2,658/month) for a two person household, and live in Dane County. One set of vouchers per household regardless of household size.

Past participants will receive an application in the mail along with instructions for this year's program. For those who have never participated in the program and wish to apply, contact AAA Dietitian Alyce Miller (608) 261-5678. Vouchers and applications will be distributed via mail.

For the most current information on farmers’ market vouchers, contact NewBridge at (608) 512-0000 or Alyce Miller at (608) 261-5678. Updates will also be made on AAA website.

My name is Miranda O'Rourke and I have just finished my undergrad at the University of Wisconsin-Whitewater.

I was a part of the Social Work Student Organization (SWSO) as well as in Alpha Gamma Delta sorority. While I enjoyed all of my social work classes, I was particularly interested in the Psychology Lifespan Development and Psychology of Women & Gender classes.

Starting in August, I will be pursuing my Master of Social Work degree at UW-Milwaukee. In the past, I have volunteered with Meals on Wheels in my home town and really enjoyed that experience!

Something that I enjoy in my free time is spending time with my pets and hanging out at the lake. I am looking forward to my summer internship at NewBridge!

Help Yourself to Better Health

Tip #1
Stand Up

Sitting all day is bad for your health. Reducing your sitting time can improve your strength and balance while reducing your risk for chronic diseases. Try to stand up for 1-2 minutes every 30 minutes.

Tip #3
Stay Connected

Loneliness can sneak up on you when you’re isolated. So take steps to maintain your mental and emotional health. Connect with people when you can’t be together. Call. Connect online and via social media. *Stay together, while staying apart.*

Tip #2
Caregiving? Take Care of Yourself Too!

Taking care of a family member can be both fulfilling and demanding. Taking time for yourself and finding resources can ease the physical, financial and emotional challenges that come with caregiving.

Tip #4
Exercise Your Brain

Engaging in activities that are mentally stimulating can benefit your brain, so take steps to keep your mind active. Learn a new skill – or teach one. Read. Work or volunteer. Do puzzles and play games. Start or revive a creative hobby. *Do something that challenges you – and your brain.*

Did you know, the CARES Act (Coronavirus Aid, Relief, and Economic Security) encourages charitable giving from both individuals and corporations?

Individuals can deduct up to $300 of donations, even if they don’t itemize on their tax return. This means that a lot more people can receive a tax benefit from making charitable contributions.

**Elimination of cash donation cap for individuals.** Individuals can now contribute 100% of their adjusted gross income (AGI) in 2020 to public charities if they want. For more information visit forbes.com
