Supported Decision-Making for People with Disabilities- WEBINAR

PRESENTER:

Yetta Myrick

SUMMARY:

Supported Decision Making (SDM) is an alternative to guardianship. The current webinar focuses on what SDM is, why SDM is important, how SDM works in practice. Additionally, parents/caregivers will learn some practice tips they can use to support their youth and young adults in making decisions. The Maryland for Inclusive Higher Education, through the CTCI partnered with Yetta Myrick, the Health Information Specialist of the Parents' Place of Maryland (PPMD). PPMD offers a variety of programs and services that continue to support families of children with disabilities and special health care needs.
