Let’s turn COVID-19 on its head and give thanks to our local heroes.

Ring a bell or bang a pot on April 19, 2020 at 1900 hours (7 PM)

Make some noise!

For those of us fortunate enough to be at home during the COVID-19 pandemic, we owe our thanks to those on the front lines. There are many ways to show our appreciation. Let’s celebrate the heroic actions of friends and strangers on the 19th day of the month at 1900 hours (7 PM).

Wherever you are - on your porch, in your kitchen, etc. - make some noise to show your thanks. A little positivity goes a long way.
