JACL LEGACY FUND GRANTS 2022
APPLICANT INSTRUCTIONS

JACL Chapters and Districts are eligible to apply for a grant to support a project or activity that is supportive of the National JACL Strategic Plan. The Legacy Fund Grants Committee may award grants up to $6,000 to selected applicants. Funding for the program grants is provided by Legacy Fund revenues.

I. Applicants/Application
A. Eligible applicants: JACL Chapters in good standing and Districts, either individually or jointly.
B. Eligible applicants may submit more than one application.
C. JACL Chapters or Districts must be the driving force in any proposed project. Third-party, non-JACL organizations that involve a Chapter or District as the sponsor in name only are not eligible to apply.
D. Chapters and Districts shall provide proof of their 990-N tax filing.
E. Application deadline: May 1, 2022.
F. Applications shall be filed by either of the following methods:
   1. A scanned copy of the completed, signed application sent by e-mail by the filing deadline in PDF format (together with supporting documents, if any, in PDF or other readily available software format) to LFG Co-chairs Roberta Barton (rbarton4106@comcast.net) and Toshi Abe (tabe@jacl.org)
   2. Mail the original, signed copy together with supporting documents, if any, to National JACL Legacy Fund Grants Committee, 1765 Sutter Street, San Francisco, CA 94115, postmarked by May 1, 2022.

II. Grant Proposal
A. The grant proposal must support the National JACL Strategic Plan and the JACL mission.
B. One of the primary goals of Legacy Fund Grants is to support new programs at the local level that will grow national membership. Therefore, repeat programs are not eligible for funding. However, funding will be considered if the proposal is for a new element or new phase (variation) of an ongoing program. One-time-only programs will be considered. The applicant should clearly demonstrate how their one-time program will generate continuing, longer-term programming. New programs that are smaller scale that may need less than the maximum grant award are also eligible and encouraged.
C. Legacy Fund Grants are intended to provide “seed” money to start new programs and should not be viewed as the sole source of funding. Applicants should strive for long-term financial independence to continue programs on their own by partnering with organizations or groups or generating additional revenue through admission or registration.
fees. However, JACL must remain the primary beneficiary. Partner organizations or groups (third parties) should not significantly benefit more from Legacy Fund Grants than JACL.

D. **In addition to a detailed budget, the grant proposal must include a budget justification.** To avoid a conflict of interest, Chapter and District Board Members cannot be compensated for work performed as part of a Legacy Fund Grant project. For more information on this requirement, please see the grant application.

E. The grant proposal project/activities must be completed no later than June 1, 2023.

F. Grant recipients must stipulate in materials and public relations efforts that the project or program was fully or partially funded by the JACL Legacy Fund Grants Program.

G. The grant proposal must include at least two (2) signatures. **The Project Chairperson and the Project Reporter must be JACL members.**
