

## **Installer Manager**

We are hiring for an Installer with Management skills.

- Pay Range \$17.00-20.00 Hr.
- Employment type: Full time

### **Duties:**

- Perform in-home estimates, consultations and installations for our line of skylight and home-ventilation products.
- Provide an outstanding experience for the customer.
- Attend pre-scheduled in-home appointments to listen to the customer's needs and make product recommendations.
- Manage a team of Installers.
- We are looking for someone honest, respectful, responsible, reliable and hard-working, with the ability to work year-long in all seasons, also available to work Saturdays.

### **Required Skills and Qualifications:**

- Excellent communication skills and written communication.
- Must have good customer service skills.
- Complete the roof-level and ceiling-level installation of tubular skylights.
- Ability to use hand tools (ex. Sawzall), **and** carry a ladder.
- 2-3 years experience either in a construction environment, home improvement, or a sales role.
- Ability to work independently.
- OSHA 10 card or OSHA 30 card.
- Acceptable DMV record (must be able to drive a service truck)
- Valid current Nevada driver's license and proof of insurance.
- Reliable Transportation.

**\*\*Roof Experience Necessary**
