Dear Friends,

As you may know, according to the U.S. Bureau of Labor Statistic, 2.2 million fewer women were in the labor force in October 2020 compared to October 2019. This mass exodus was not voluntary; they were forced out due to unforeseen barriers the pandemic has presented. We are working diligently to remain a catalyst for positive change for women in our community. While many still face uncertainties, we are collaborating with our community partners to ensure our continued support of women as they reenter the workforce.

Your commitment and passion for the women Dress for Success Houston (DFSH) has the privilege of serving, allows us to support them now, more than ever, by offering job search and professional development programs, women veterans networking workshops, curbside suiting, as well as H-E-B gifts cards to those who are still facing food insecurities. See pages 3-5 to learn more about your impact.

Please join co-chairs, Allie & Eric Danziger and Drs. Crystal and Randall Wright on Saturday, October 16, 2021 for Rendezvous with DFSH. We will honor our community partner, H-E-B and the more than 46,000 Houston-area women and 60,000 children DFSH has impacted. Over the last 14 years, H-E-B has provided meals, gift cards and vital financial support to the mission of DFSH. Event details on page 6.

Our mission is to empower women to achieve economic independence while breaking down barriers regardless of race, sexual orientation, and religion to help women thrive in work and life. Our team remains engaged in developing our leadership, as we began an eight-week Dare to Lead course in April. These experiences enhance our team personally and professionally allowing us to best serve the women of Houston.

Thank you all for your support to ensure we continue to empower the women and families of DFSH.

With heartfelt gratitude,

LAUREN LEVICKI COURVILLE
PRESIDENT

“I feel like a confident and successful businesswoman after my suiting appointment. I am ready to take on the world!”

“I don’t know where I would be if I did not have DFSH in my life.”
Women’s Veteran Program

The goal of the Women’s Veteran Program is to empower women veterans through a network of support that continues to connect them to community resources, build professional relationships and cultivate personal growth in a safe, uplifting environment.

In 2020, the Women’s Veteran Program hosted 23 events covering PTSD, nutrition, military career transition, and more! Workshop attendance was up 54% throughout all DFSH programs.

This year, we launched Veteran Virtual Meet Ups – a place where women veterans can connect, encourage and motivate each other. Over 30 veterans have attended this new networking opportunity.

I feel connected because other veterans share similar experiences. There is a better understanding within the group.

Health & Wellness

For the first time in its history, the Chevron Houston Marathon was hosted virtually in January 2021. With determination and team t-shirts in tow, 35 PWG members showed up to cross their own finish lines around Houston. DFSH has participated in the event’s charity component. Run for a Reason, for the past nine years. Sponsored by Comerica and Maria & Terry Bryant, Team DFSH raised more than $10,000 for the women of Houston with a total of 74 participants. Email r4r@dfshouston.org to join our team for the January 2022 race weekend!

In an effort to continue health and wellness journeys year-round, the Professional Women’s Group is introducing a Mind-Body series. The goal is to provide strategies about taking care of ourselves so we can show up fully for others and our careers. PWG members will have access to practice items in their weekly emails and Facebook group along with small-group opportunities for deeper discussions.

I am proud the We Are Houston 5K is now part of my accomplishments. Thank you for keeping me accountable.

Job Search Program Update

Over two million women in the United States left the workforce in 2020, with Black and Latina women comprising over 35% of those newly jobless. The women served by DFSH are no different, with nearly 70% of their jobs affected last year. Recognizing a staggering need to get our women back to work, DFSH relaunched the Job Search program virtually with a goal to assist 125 women in securing employment.

The eight-step Job Search program includes completing an initial survey, attending a Google Suite Basics recorded workshop, participating in Resume Review, attending a Speak for Success workshop, mastering the 60-Second Elevator Pitch, participating in Mock Interviews, learning how to market themselves on LinkedIn and attending one-on-one coaching with Adecco recruiters.

Success Story | Joy

REGISTERED DIETITIAN

At the age of 17, Joy enlisted in the United States Navy and served 14 years before making the decision to pursue her passion of nutrition. She moved to Houston and struggled to feel settled while she transitioned into civilian life. After graduating from the University of Houston with a 3.5 GPA, Joy was introduced to DFSH for her interview suiting appointment.

The preparation helped her land a position at H-E-B. Joy then joined the PWG and began regularly attending workshops. She says the various program topics taught her “to love myself and know my worth”. In April, Joy was selected to commission with the United States Navy as a registered dietitian in Okinawa, Japan. Joy will oversee nutrition for the Navy and Marine Corps service members and their families.
The Legacy Giving Society is comprised of dedicated DFSH supporters whose planned gifts lay the foundation for the agency's future. Their generosity will impact thousands of women in years to come. For more information about Legacy Giving, please contact Nancy Levicki at 713-337-0876.

Corporate Guild

The Corporate Guild is a networking association of women helping women, supporting and promoting each other as professionals, while simultaneously providing impact to DFSH programs and the women we serve. In 2020, the Corporate Guild consisted of 62 companies from various industries. To learn more about joining visit dfshouston.org/events.

On June 2, Four Seasons Hotel Houston hosted our Corporate Guild’s PowHER Hour for a 19th year. Over 90 Corporate Guild members and their guests attended the wine tasting led by Sabrina Norbert from Total Wine and More while the hotel’s Senior Sous Chef Marcos Navarro prepared delectable bites to pair with each wine. Members enjoyed a game of ‘Heads or Tails’ for the chance to win a VIP shopping experience and $1,500 gift card from J. Landa Jewelry.

DIVERSITY, EQUITY & INCLUSION

In addition to our revamped Job Search program, DFSH hosted a virtual Town Hall on June 8. We collaborated with three community partners to address removing barriers for women looking for employment with more than 200 in attendance. Success Story Isabel
GC QUALITY MANAGER

Isabel spent two years unemployed - attending workshops to improve her interview skills and gain confidence. She participated in over 20 classes at DFSH while updating her LinkedIn profile and keeping her interview skills fresh.

In early March, Isabel finally landed the opportunity she’d be searching for. After nailing the interview in her suit from DFSH, Isabel received an offer and started her new position as a GC Quality Manager. She is now in her third month of employment and attributes DFSH for the “invaluable knowledge and guidance” she received.
