

My CareerEd Plan

Planning Worksheet

Directions: Answer the following questions to help you prepare to complete your CareerEd Plan when you meet with the Employment Specialist.

STEP 1: What is your long-term career goal?

STEP 2: What kind of training or education do you need to achieve your long-term career goal?

STEP 3: Where are you NOW in your education and/or training that prepare you for work?

My CareerEd Plan

Planning Worksheet

STEP 4: What jobs, internships, volunteer work, or other work-related experiences do you have that might help you get started on your career path?

STEP 5: Who can help you? What types of support do you have?

STEP 6: What are the first steps in your plan? What are your first short-term goals?

STEP 7: Are there things in your life that would keep you from taking these steps?
