## A Journey through Advent

### What is Advent?

Advent means “coming” and is a time of waiting and preparation as we look forward to the day when we celebrate the coming of Christ to our world, God in human form, on Christmas day. The season of Advent covers the 4 Sundays before Christmas day. Advent is also the start of the Church year.

The Sundays of Advent are often focussed around the themes of Hope, Peace, Joy and Love. This resource centres around an Advent Wreath, the lighting of candles for each of these themes, and engaging with Bible stories in the lead up to Christmas Day. In uncertain times it is good to create daily and weekly rhythms and routines as anchors or lighthouses to help us stay firm and find our way when the storms of life come with such unpredictability. It is our hope and prayer that these resources will be a part of that for you and your family.

## Advent Wreaths

Advent Wreaths are a way of marking the season of Advent, the four Sundays preceding Christmas and the birth of Jesus on Christmas Day. The first candle is lit on the first Sunday and then again at each dinner time across the week. In the second week two candles are lit each time, the third week three and the fourth week four.

Traditionally, holly or pine wreaths are made with holders for five candles. Surrounding a central candle the wreath is laid on a table or stand or suspended from the ceiling.

## Make an Advent Wreath

There are many videos on YouTube showing you how to make an Advent centrepiece for your dining table. At its simplest you'll need something green to make a circle with and five candles. Different traditions have different coloured candles, but for these activities we've chosen green, blue, yellow, red and white.

1. Make a circle with the greenery (you could use an oasis circle which you can purchase from a craft shop, or even use some playdough you've made). Using herbs in your display gives a nice fragrance.
2. Arrange the candles with the white one in the middle.
3. Arrange this all on a wooden board or a dinner plate will protect your table from any wax that might run down the side of the candles.
4. Remember to water it occasionally if using fresh greenery.

## Hope, Peace, Joy, Love

Another great resource you can make use of is the [Kiwi Advent Illustrations](https://www.strandz.org.nz/adventillustrations.html). These are kiwi designs of the four words of Advent, beautifully illustrated for all ages to colour in. They are from our friends at Strandz, the hub of Children and Families Ministries in the Anglican Church of New Zealand.

Romans 8:38–39

I am sure that nothing can separate us from  
God's love—not life or death, not angels or  
spirits, not the present or the future, and not  
powers above or powers below.

Nothing in all creation can separate us from  
God's love for us in Christ  
Jesus our Lord!
