Great news!

Here is your final proof. Please take a minute to confirm any final changes before we go to print.

Please reply within 1 business day by email with your approval or send us any changes and we will process your request accordingly (please keep in mind that any changes may potentially delay your order).

Please check:
- For spelling mistakes and missing digits
- That you’ve included all your vital details (email, URL, etc)
- If your design reaches all the way to the edge of the bleed (explained to the right, if you’re not sure)

Don’t forget:
The colour will look different on your screen to the final print.

This proof is not a print-ready file. Any images on this preview are high-resolution, but are not our full print resolution. So your final print will look even snazzier than it does already.

What do the symbols mean?
- Blend (your design should fill this)
- Trim (this is where we aim to trim your cards)
- Safe area (make sure any important aspects of your design such as text and logos are inside of the safe area, otherwise they may be cut off)
