

Limitless Day 2

- 19:09:23 From Fred Harwood (BC) to Everyone:
And is the saviour now stuck?
- 19:11:18 From Carolyn Neill to Everyone:
Hello everyone! Just hanging in here with rural internet, ugh.
- 19:13:53 From Rebecca Chambers to Everyone:
Love this story!! Carolyn - amazing!
- 19:15:07 From Fred Harwood (BC) to Everyone:
The proposed Seniors Strategy for my city has an age range of 55 to 105 for being treated as a senior.
- 19:17:05 From Rebecca Chambers to Everyone:
Student as the driver of their learning
- 19:17:21 From Fred Harwood (BC) to Everyone:
Imperatives: ownership; collaboration
- 19:19:04 From Carolyn Neill to Everyone:
View of all learners being competent and capable.
- 19:20:14 From Gerard McNeil to Everyone:
1st voice of the learners in the design of learning programs.
- 19:23:24 From Goran Matic to Everyone:
Wow - so powerful and impactful!..
- 19:25:04 From Gerard McNeil to Everyone:
I was one of those Nick's. It was photography that saved me. I only found that I am dyslexic six years ago, and I am 58.
- 19:27:04 From Fred Harwood (BC) to Everyone:
Doesn't sympathetic resonance also remind us of Stan's message?
- 19:27:22 From Goran Matic to Everyone:
Great point, Fred!
- 19:30:51 From Fred Harwood (BC) to Everyone:
Colour coded book shelving? Hmmm?
- 19:46:10 From Rebecca Chambers to Everyone:
<https://www.downrightdyslexic.com/>
- 19:46:11 From Carolyn Neill to Everyone:
Fiona - Can you share the link to your blog so I can share it so the many, many, many others can read it. Sound awesome!
- 19:46:34 From Rebecca Chambers to Everyone:
Just added it to the chat!!
- 19:47:24 From Fiona Milligan to Everyone:
<https://www.downrightdyslexic.com/post/what-about-me-dyslexia-its-a-family-affair>
- 19:47:38 From Carolyn Neill to Everyone:
Got it, oh the joys of this rural internet!
- 19:52:10 From Carolyn Neill to Everyone:
These stories give myself and many other friends of mine the permission to keep using their creativity and to make the change.
- 19:52:57 From Fred Harwood (BC) to Everyone:

April 21st, 2022

From Diversity to inclusivity: is this the same as to stop talking about multiculturalism to talking about multiCanadianism? There is such power in a name (condition, imperative, attitude).

19:55:15 From Nancy Solange Dean to Everyone:

Thank you so much. I am so excited about the possibilities and the changes to come.

19:56:36 From Nancy Solange Dean to Everyone:

I must leave unfortunately but will catch the recording, so wish I could I could stay.

20:01:41 From Fred Harwood (BC) to Everyone:

Limitless?

20:09:24 From Susan Hillyard to Everyone:

Hi from Buenos Aires (Liverpool really)

20:21:01 From Fred Harwood (BC) to Everyone:

Because it was complex?

20:22:33 From Gerard McNeil to Everyone:

Much of this reminds me of Etienne Wengers model of Communities of Practice,

20:23:14 From Fred Harwood (BC) to Everyone:

Gerard, you're spoiling my Wenger story I was going to share that connects so much to Goran's points!

20:24:22 From Susan Hillyard to Everyone:

@Gerard.....yes I can relate to that and to PLCs which I'm developing in my own little way here in Bs As.

20:26:35 From Susan Hillyard to Everyone:

The idea of social messes took me back to the 60s and Dorothy Heathcote's " Man in a mess" syndrome. (I'm an educational dramatist)

20:29:38 From Gerard McNeil to Everyone:

Or a lot of mistakes

20:31:25 From Goran Matic to Everyone:

20:36:37 From Lindsay Beal to Everyone:

I tried to drag it

20:40:18 From Carolyn Neill to Everyone:

Thank you everyone for this evening. I have to leave and help my children get something to eat, I guess it is past supper time and soon bedtime, lol.

20:49:14 From Fred Harwood (BC) to Everyone:

Lindsay's point is shown in Fermat's Last Theorem that took 400 years to solve but 10 branches of mathematics were formed in the process of trying.

20:50:07 From Fiona McDonnell (she/her/hers) to Everyone:

Goran, I would like to continue the conversation... fiona.mcdonnell@maine.edu

20:50:24 From Fiona McDonnell (she/her/hers) to Everyone:

I meant to send that to Goran :(

20:50:46 From Goran Matic to Everyone:

Absolutely!. please reach out to me at:

20:52:06 From Susan Hillyard to Everyone:

@Goran.....I'd like to connect too: ssnhillyard@gmail.com

20:52:22 From Goran Matic to Everyone:

April 21st, 2022

Yes please Susan!.. I would love to talk more -
20:52:44 From Fiona McDonnell (she/her/hers) to Everyone:
play is essential to idea construction..moving beyond one's own point of view
20:53:06 From Susan Hillyard to Everyone:
Please contact me through my email.....
20:53:10 From Goran Matic to Everyone:
@Fiona: love the idea of play!
20:53:16 From Goran Matic to Everyone:
@Susan: will do!
20:54:16 From Fiona McDonnell (she/her/hers) to Everyone:
play is critical to paradigm shift..
20:55:23 From Fiona McDonnell (she/her/hers) to Everyone:
without a paradigm shift humanity is at risk...
20:55:26 From Susan Hillyard to Everyone:
I've been exploring play as an extension of childhood play which school kills (a la Sir
Ken) for many years!!!! met with much skepticism.....
20:55:33 From Fred Harwood (BC) to Everyone:
Different lenses and different mirrors like a mop bucket's water
20:57:11 From Goran Matic to Everyone:
@Fred: love the different lenses point!
20:58:04 From Natasha Baines to Everyone:
Absolutely AMAZING 2 days!!
20:59:03 From Fiona McDonnell (she/her/hers) to Everyone:
THANK YOU CNIC!
20:59:04 From Susan Hillyard to Everyone:
Thank you!!!!
