

World view, Pacific focus:

Our Industry Now and in the Future

**NZMOA Marinas &
Boatyard Conference**

**6-8 September 2023,
Hilton Hotel, Auckland
New Zealand**

**Incorporating the NZMOA
2023 Annual General Meeting.**

Days 1 and 2: Hilton Hotel, Princess Wharf Auckland

Wednesday 6 September

A day of big topics and information including the NZMOA Trade Show and extensive networking opportunities, finishing with a casual dinner at Bar Non Solo in Britomart.

Please arrive at the Hilton Hotel at 745am for registration and an 830am start. The day concludes at 5pm.

Keynote speakers:

- A friendly welcome from Auckland Mayor Wayne Brown
- Tony Gardner – Archetype returns to inform you about managing teams to get optimal outcomes for your business, marina or boatyard
- Kevin Lidgard, Panuku Development Auckland
- Darren Vaux, ICOMIA – industry decarbonisation, smart marinas, changing customer trends

The big discussions:

- Innovation in product design and specification with Bellingham NZ, Heron Group, Cimolai Technology & Marathon Products.
- How marina managers are making investment decisions. With managers Mark Hollier and Brett Colby, and Mark Thompson of Dredging NZ, Tony Davis of Pultron Composites Ltd.
- Climate Resilience: approaches to land levels, retreat, stormwater treatment and more. Featuring Les Binkin of Pelican Waters Marina, Adam Wave from Vuda Point and Philip Wardale on the Whanganui and Whakatāne projects
- Social media, marina accreditations and more

Thursday 7 September

A second comprehensive day including the NZMOA Annual General Meeting and election of new Executive members. The NZMOA Trade Show continues and the day concludes with a formal dinner and entertainment at the Hilton Hotel.

Please arrive at the Hilton Hotel at 745am for an 830am start. The day concludes at 5pm.

Case Studies:

- Scott Fickling on the new Kennedy Point Marina
- Mark Hollier, Half Moon Bay on perpetual licenses, material and specification decisions, and operating a hardstand in a residential area.

The big discussions:

- Industry training with Chris van der Hor, Mast Academy and Suzanne Davies, CEO of MIAA.
- Advanced approaches to Health & Safety. With Mark Thompson from Dredging NZ, Tim Lidgard of Seaview Marina and Worksafe.
- Priority legal topics in 2023: with Anna Parker of Buddle Findlay, Dave Withington of VesselWorks, Tony Arnold of Tauranga Bridge Marina, and Kevin Lidgard of Westhaven Marina.
- Marina Governance and Operations: Marina management, project delivery, CCOs and governance: with Nigel Skeggs of Nelson Marina and Chris Galbraith, Bay of Islands Marina.

Day 3: Marina and Boatyard Tour

Friday 8 September

Via bus and boat on this, the final day of the conference we will visit leading Auckland facilities.

Please meet before 730am at the Hilton Hotel to board buses. The day concludes at 5pm in the Viaduct Harbour in central Auckland.

- Silo Marina
- Orams Marine Village
- Westhaven Marina's newest developments
- Tamaki Marine Park
- Half Moon Bay Marina and boatyard
- Kennedy Point Marina
- Bayswater Marina
- Wynyard Basin
- Viaduct Marina

The Certified Managers Meeting will be hosted by MIA on Saturday 9 September.

This conference is bought to you by NZMOA's family of sponsors for 2023-24.
