

PASSING THE TORCH

It's that time of year when it is a good idea to start thinking about how you can set up your group really well for next year. Fill out this form with your SADD group, and leave it with the leaders for 2023. If you do not know who they will be yet, you could leave this with a staff member to pass it on.

One of our previous National Leaders wrote a great blog which we would recommend reading through: <https://www.sadd.org.nz/sadd-blog/whos-got-next>

Other key things to help you in Term One 2023:

- Get your group along to a SADD T1 workshop in your area. These will really help you start the year well, and learn everything you need to know! Keep an eye out on Social Media or email your SADD contact to find out when this might be.*
- Think about attending a SADD conference in the April school holidays, these are an amazing way to get connected with other students and learn all about SADD, whilst having heaps of fun.*
- Reach out and get in touch with your SADD Delivery contact, their job is to support and help you.*
