# OUR PROGRAMME ASPIRATIONS

- We have four key Aspirations that are what the SADD programme is working towards, and aiming for.
- These are the things that we aspire to, and hope that young people who get involved can aspire to.
- They are an awesome tool that you can use, especially when you are thinking 'what issues could we focus on in our school/community'.
- All the small, medium and large things you do in your community with your peers combine towards bringing these aspirations to life, nation-wide!

**Do any of these Aspirations (or the information under them) ring especially true for you? Do you think could benefit your community?**

## Safe road users

We make safe decisions both before we start our journey and while we are on the road

*Impairment free driving  
Driving to the conditions  
Seatbelts and child restraints*

*No distractions  
Safe speeds  
Safe active transport*

## Safe vehicles

We ensure our vehicles are always safe and roadworthy

*Checking tyres  
Vehicle safety ratings  
Vehicle maintenance  
Current WOF*

Challenge #1 - Card tower

Challenge #2 - Portrait Challenge

- This activity can be run in all sorts of settings
- running activities can be fun
- Doesn't have to be complicated
- There are lots of simple ways to make an impact, especially if you are just getting started
- It is about knowing your audience and getting them thinking.

# LEADERSHIP OPPORTUNITIES

Being involved with SADD, there are lots of ways to build your leadership skills in school or in your community - making a difference on the ground. We also have many opportunities to have your say on an organisational level.

## **National Leadership Programme**

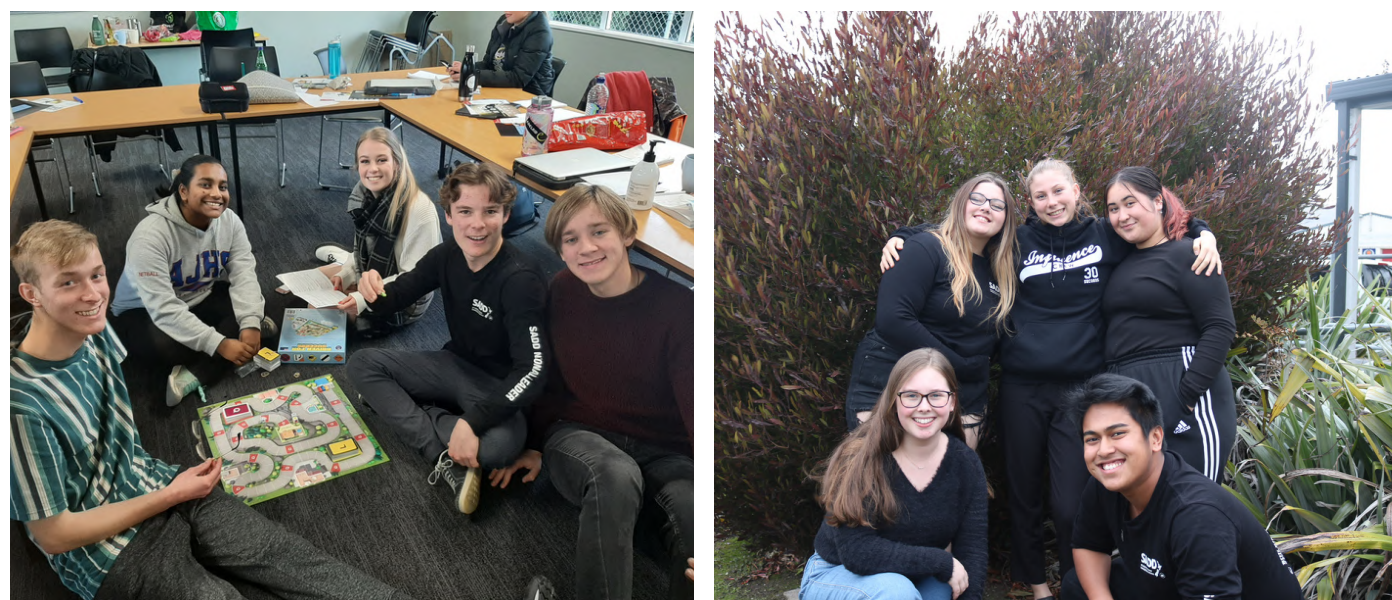

- Providing youth input to national programme development, resource and merchandise design, strategic development and more. This group is key in providing the youth voice to our organisation.

## **Regional Leadership Programme**

- Regional Leaders are all about strengthening their communities in their regions to create a strong road safety approach for the whole country. Regional Leaders focus on creating practical outcomes and solutions to road safety issues in their community and network with a wide variety of people and community partners to make their region a safer place.

## **Māori Advisory Rōpū**

- As a member of the māori advisory rōpū it is your role to help guide Kaitiaki o Ara from a māori perspective. The aim is to work as a collective to better connect with māori in creating safer roads in Aotearoa.

# COLLABORATION

- We work with all sorts of other organisations/groups that also want to empower young people, and make our roads safer
- Getting these people involved with your activities end event gives them a real boost
- Make the most of these people
- We can help you with these relationships

## Examples:

- FENZ
- NZ Police
- Local Councils
- Youth Councils
- Local youth and/or community organisations
