

**List of Persons signing the Open Letter to the United Nations Secretary General,  
H.E. Mr. Antonio Guterres**

We, the undersigned, are deeply concerned by the disproportionate impact that the COVID-19 pandemic will have on the most disadvantaged and vulnerable people in our global society.

As public health leaders and practitioners – including former presidents, prime ministers, ministers of health and ministers of state, as well as health and public health professionals, scientists, teachers and citizens – we endorse the Open Letter addressed to the HE Secretary-General of the United Nations and call for the establishment of a bold, multi-sector “Global Health Equity Task Force” to fairly and fully confront the health, socio-demographic and economic dimensions of the COVID-19 pandemic.
