# WHO DO YOU TRUST

*With your designs?  
With your home?  
With your project?  
With your reputation?*

Your clients rely on you to provide the best advice, the best service and ultimately the best results. At Longboard we understand the important role you play which is why we are committed to Radical Client Care.

Radical Client Care at Longboard means top quality products, reliable technical advice, human centered support and timely guidance before, during and after your projects. In our world, not everything goes as planned. We are thoroughly committed to ensuring your experience with Longboard is a positive one. We stand behind our products, our staff, our services and most importantly; our clients.

# SUSTAINABILITY ASPECTS

## **LONGBOARD & LEED**

Construction Waste Management, Regional Materials, Durable Building, Low-Emitting Materials, Innovation in Design

## **VOC FREE**

Our manufacturing processes are 100% Chrome-free. Longboard products give off zero emissions.

## **100% RECYCLABLE**

Made of extruded aluminum, Longboard products are salvagable/reusable in its entirety.

## **LIVING BUILDING CHALLENGE COMPLIANT**

Red List Free- Declare Label available upon request

## **RAIN WATER USAGE**

We capture and utilize rain water in our 5-step pre-treatment process.

## **WATER FILTRATION**

All water being released back in to the environment is clean and meets strict government regulations.

## **NO SCRAP/WASTE**

Scrap cut-offs are melted back down and extruded again - creating very minimal waste.

## **RENEWABLE HYDRO-ELECTRIC POWER**

Aluminum sourced from U.S. based Alcoa.
