Unsuccessful Applications

12. When the UOSU disburses funds to its partners, the UOSU is obligated to hold its partners accountable for tracking and reporting how those funds are used. The UOSU therefore reserves the right to deny a club access to funding if the UOSU is unable to reliably account for how and why UOSU funds are used by a recipient club.

13. The UOSU reserves the right to withhold funding for the following reasons:
13.1. An application is deemed to be incomplete, incorrect, insufficient, or otherwise ineligible based on criteria that must first be met in order for it to be approved;
13.2. The Clubs Committee determines that a club is no longer eligible for funding or recognition due to a violation of CSG-002, Partnership Criteria; or
13.3. The Clubs Committee determines that approving an application may duplicate the activities and operations of an existing club which has already had a funding application approved by the UOSU for similar purposes.
13.4. An application was submitted after a deadline set by the UOSU for the submission of applications.

14. In the case that a club is denied funding or partially approved:
14.1. Partner clubs may request that they receive a written explanation the UOSU’s Clubs Committee for the reason behind the decision.
