THE DIAMOND APPROACH®

Join us for a lively discussion and exploration. This is not your typical book study group. Each session will include:

- ***A short meditation***
- ***A teaching to help deepen understanding***
- ***An exercise to discover what's true and real for you personally***
- ***Time to share and ask questions***

Maggie Tibbetts is a Diamond Approach Teacher who is also a practicing Psychotherapist for 27 years. Working with others to feel more at peace

and live their full potential has always been her life's purpose.

Deanna Osbourne is a Diamond Approach Teacher who enjoys helping people discover more about their essential nature so that they can live a freer and

more authentic life. Come as you are and discover what's true and real for yourself.
