

All That Remains

- La Lumiere -

A Voyage into The Light.

Deeply rooted in quality and history, I am offering pieces that will feel like art , take you on a journey into the light and weave human connection, tell stories - create memories.

An Ode to Summer days , to tradition , to love.

A destination for luxurious, ethical design and production of artisan made.

A Tumbling State of Memory.

I encourage people to remember history , really feel something when you pick up an
All That Remains Piece - A true emotional Connection.

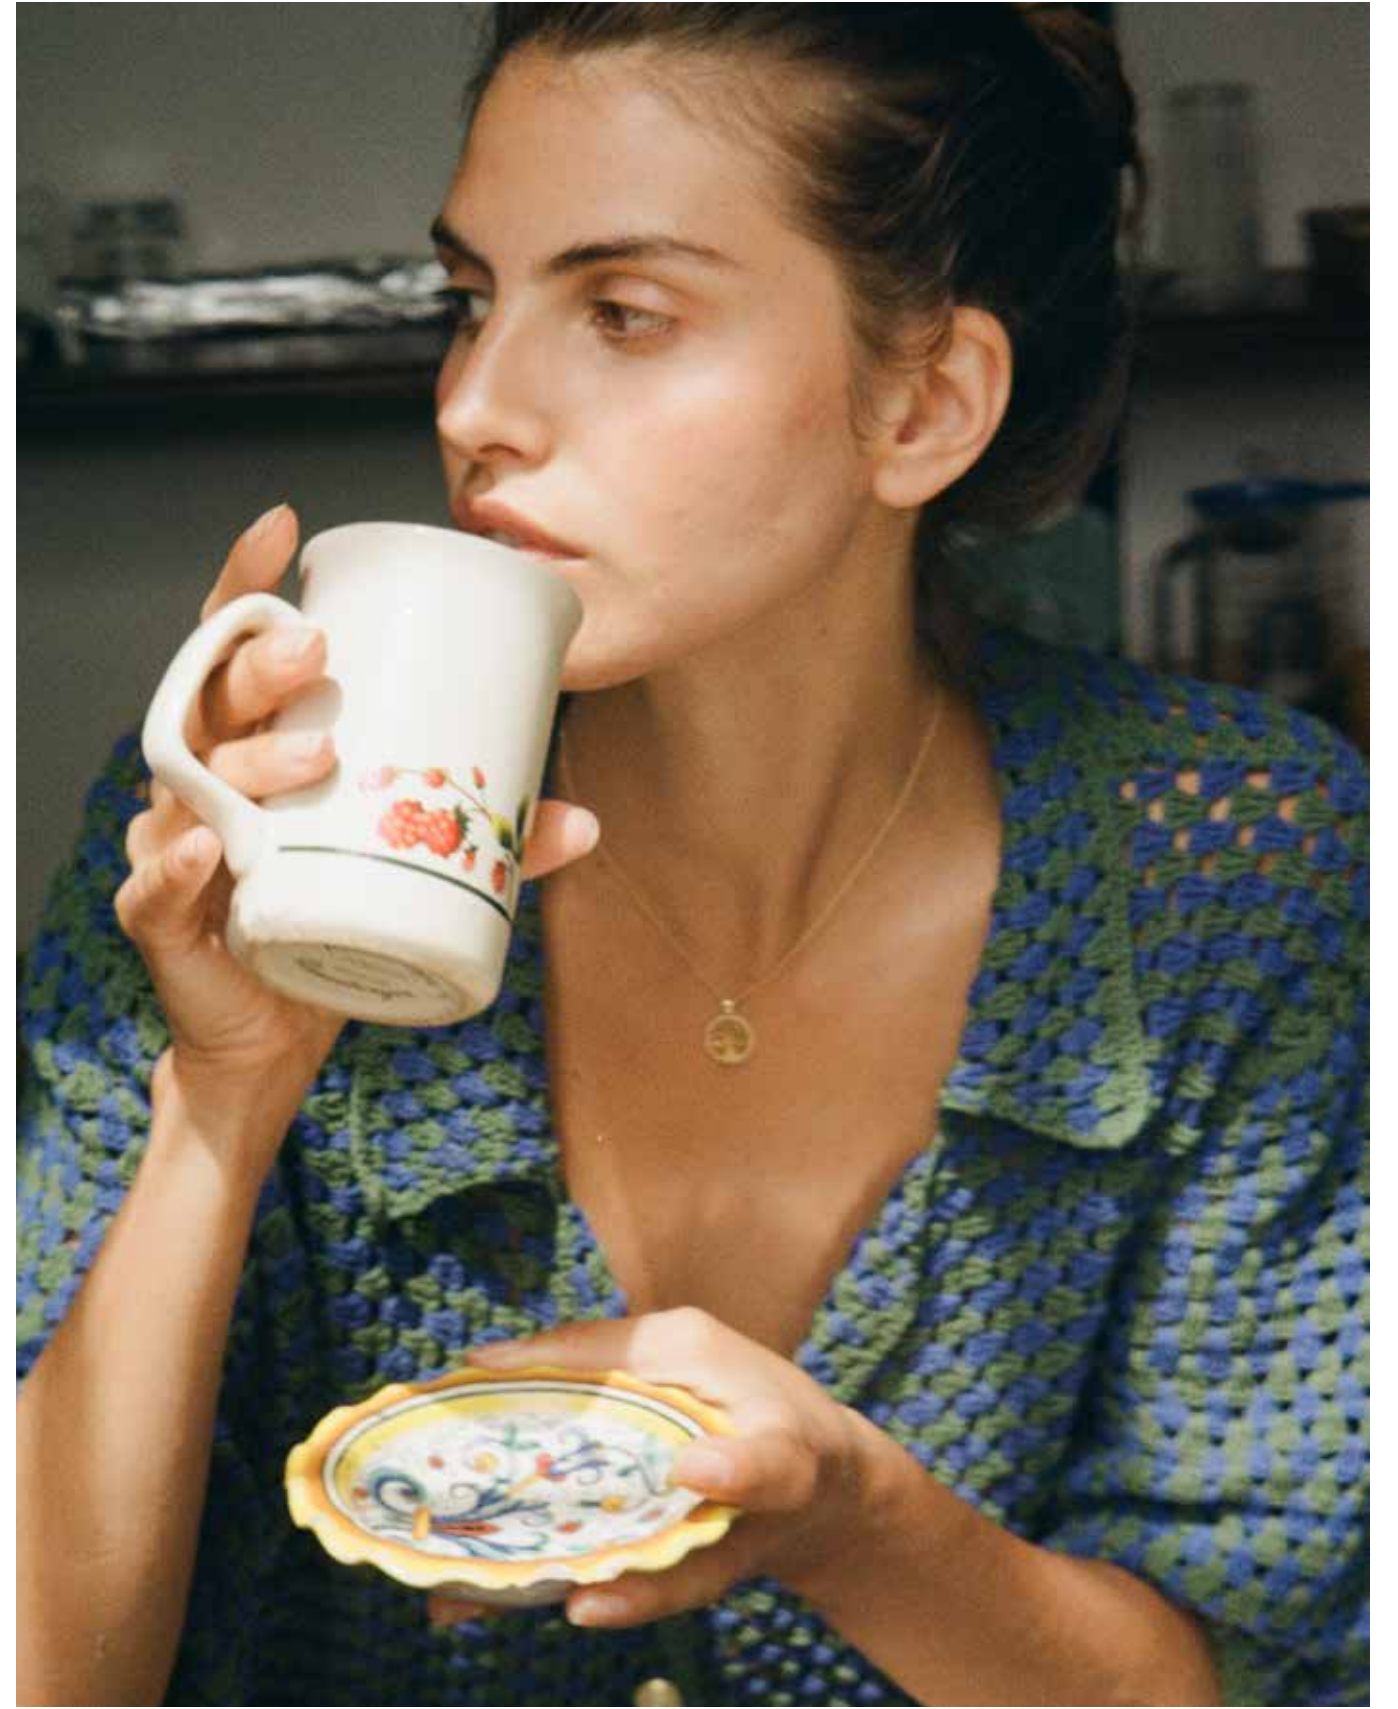

Applique , tuscan lace reworked table clothes , hand crochet mens workwear shirts, crisp white linens with hand cut lace and embroidery shape the collection. In a palette of creamy bone , Emerald greens, rich reds and earthy browns.

Each Piece Tells a story.
