

# Ambassadors

## SERVING DESCRIPTION

### At CityBridge:

- **Attend Ambassador meetings**

Be equipped, encouraged, and connect with your fellow Ambassadors. Come prepared to share a brief update, story, or prayer request from your Neighbor Zone. Learn about upcoming events and initiatives.

- **Liaison between the CityBridge members in your Neighbor Zone and the church**

As you are connecting with the members in your Neighbor Zone, send updates to the Neighboring Directional team. (Address change, membership status, etc.)

### In the Neighborhood:

- **Engage with neighbors a minimum of once a month**

There are countless ways to connect with your neighbors. Do what comes naturally to you, and what works best for each neighbor. From one-on-one to large events, any interaction with your neighbors is a step toward a deeper relationship, and further opportunities to share life together.

- **Connect the CityBridge members in your Neighbor Zone**

Gather the CityBridge members who live in your Neighbor Zone at least quarterly to create a local community of believers within our large church body. Team up with them to host neighborhood events, and encourage them on their own neighboring journey.
