Draw a Selfie  
This page was created by Katy.

I want to collect data about what humans looks like; can you help me?

A selfie is a picture you take of yourself. Can you draw a selfie to send to Esiw after answering the questions below? Think about the parts of your body you use to see, hear, smell, taste & touch. You can ask a member or friend to help you!

- What colour are your eyes? ________________________________
- What colour is your hair? ________________________________
- What colours are you wearing? _____________________________
- How do you see? ________________________________________
- How do you hear? _______________________________________
- How do you smell? _______________________________________  
- How do you taste? _______________________________________
- How do you touch? _______________________________________

Now draw your selfie to send to Esiw!
