Draw a Selfie

I want to collect data about what humans looks like; can you help me?

A selfie is a picture you take of yourself. Can you draw a selfie to send to Esiw after answering the questions below? Think about the parts of your body you use to see, hear, smell, taste & touch. You can ask a member or friend to help you!

What colour are your eyes? ________________________________
What colour is your hair? ________________________________
What colours are you wearing? ________________________________
How do you see? ________________________________
How do you hear? ________________________________
How do you smell? ________________________________
How do you taste? ________________________________
How do you touch? ________________________________

Now draw your selfie to send to Esiw!
