

ACCESSIBILITY AT OCEAN VIEW ESTATES

Our beautiful staff look forward to caring for all of your accessibility needs and welcome all to our beautiful property.

Wheelchair accessibility - *The pavilion on the lake, restaurant, function room and alfresco dining areas are all fully wheelchair accessible which means you can be comfortable to book for a lunch, sit back and enjoy the casual atmosphere of our Sunday Sesh, or regular alfresco dining and comfortably attend a function, or wedding. Our whole 100 acres is available for picnicking with many gorgeous locations accessible by car to shaded grassy lawn. Picnic food will need to be ordered via our QR code and picked up when ready so please bring a friend if you intend to take advantage of this. Although our Sunday Sesh is not usually bookable, we are more than happy to take bookings to ensure you are comfortable with wheelchair or special accessibility reasons. Just give one of our friendly staff a call.*

Our accommodation – *although neither of our current 3 cottages are fully accessible according to the regulations, our one bedroom (cabernet) cottage has a ramp to access with a step of around 10cm from the ground. Once this has been navigated the cottage is flat floored otherwise. Our 5 bedroom (winemakers) cottage has 5 steps to access, then flat inside. Bathroom facilities do not have rails.*

Carers – *if you are a registered carer for a person with a disability and have the appropriate identification with you, we are happy to offer you a 15% discount on your meal at the table. Please advise staff on booking, or add to notes on your online booking.*
