

- Roman's professional career spans over 26 years in a variety of Technology, Human Capital and Business Analysis leadership roles within the investment banking, mining and resources and technology industries across North America and the Asia Pacific region.

In August 2020, Roman joined Google as APAC Director of Diversity, Equity & Inclusion based in Singapore. In this role, Roman and his team are responsible for delivering a globally aligned yet regionally tailored DEI strategy and set of initiatives that support Google's business opportunities around the region.

Roman graduated with honours from Humber College Institute of Technology and Advanced Learning in Toronto, Canada where he majored in Business Administration and Marketing.

He has made Singapore his home for the past 20 years along with his wife Heather and two children Alex and Kalyna.
