

Race Safety Protocol

Cleaning and Sanitization

- Reduced customer touch points to minimize physical interaction between racers, and racers and event staff.
- Additional cleaning and sanitization of customer touchpoints throughout the race event area, including check-in areas, results, and aid stations as well as the bike to run transition.
- Hand sanitizer will be available for use throughout the event, including around high traffic areas, in or near transition, in and around portable toilets.
- The use of sealed, bottled water at aid stations rather than cups and spigots. To maximize social distancing, we highly recommend that the participant provided their own energy fluid replacement for the race.
- Increased safety and hygiene procedures for staff and volunteers including regular hand sanitization.

Personal Protective Equipment

- All event staff and volunteers will always wear face coverings. In addition to social distancing measures, Racers are required to wear a face covering prior to the race while setting up transition and prerace check in. A limited number of face masks and gloves will also be available for on site.

Social Distancing

- The start will be time trial starts and no more than 50 people will be allowed in the designated start area.
- Dedicated prerace holding areas or waiting spots will be provided at areas where racers tend to congregate, such as at check-in and at and transitions and race start.
- There will be no body marking by volunteers. Markers will be available for self-marking.

Screening (Racers, Staff, Volunteers)

- Each participant shall be required to complete a declaration when checking in at the event that they are not currently infected by COVID-19 and have not had, or knowingly been in contact with, someone experiencing any of the following COVID-19 symptoms in the past 14 days:
 - ❖ Cough

- ❖ Shortness of breath or difficulty breathing
- ❖ Fever
- ❖ Chills
- ❖ Muscle pain
- ❖ Sore throat
- ❖ New loss of taste or smell

Race Size

- The participation numbers will be capped at 350.

Awards

- No award ceremony
- No finisher medal in 2020.

Transition

- Limited to 50 people per session
- Bike racks will be preassigned and limited to 3 people per rack
- Racks will be spread out to maximize social distancing
- During prerace set up athletes must social distance and wear mask

Spectators

- To control social distancing spectators are discouraged unless they are accompanying a minor child.

Volunteers

- With limited access to our usual volunteer base there will be no volunteers on the racecourse. The Georgia Multisports staff will maintain and control key areas. Athletes will navigate through the course with directional arrows and markings.
