Dominican School of Philosophy & Theology

Syllabus for FE-2021 & FE-2022 – Pastoral Ministry Internship
( Field Education, Level II, Parts 1 & 2)

Fall 2021 and Spring 2022

Two Audio/Visual e-meetings of all students together with Instructor,
one in November and one in March, to be arranged

INSTRUCTOR (FIELD ED COORDINATOR): Fr. Bryan Kromholtz, OP (DSPT), at DSPT West Building, Office 1. I am often in my DSPT office, but am best reached by appointment; contact me at bkromholtz@dspt.edu. Please do not expect an immediate response to emails. You will ordinarily receive a response within two school days. Responses are not ordinarily provided on weekends.

COURSE DESCRIPTION: This course is part of students’ year-long experience in a supervised pastoral ministry experience, through which they will (a) exercise basic skills of the apostolate, (b) engage in theological reflection upon it, and (c) document and communicate their learning about these areas. Each student is required to arrange for regular supervisory sessions with the approved supervisor at the ministry site. This syllabus covers the two parts of Level II of Field Education: FE-2021 (Fall) & FE-2022 (Spring), spanning the academic year. Each is offered at 1.5 units, for a total of 3.0 units of Level II credit when both semesters are completed. A passing grade in FE-1021 and FE-1022 is normally a prerequisite for FE-2021; a passing grade in FE-2021 (Fall) is normally a prerequisite for FE-2022 (Spring).

COURSE GOALS AND OUTCOMES: Through this course, students will continue to develop their grasp of certain central issues in field education for the apostolate, concerning the sacramental and missionary nature of the Church and her members’ participation in it. Students will become better able to analyze apostolates and to engage creatively in improving their reach. They will also become better able: to apply their theological learning in an integrative way; to develop the habit of theological reflection for their apostolates and for their participation in them; to seek actively the insights of others for their mission; and to be a collaborative leader in ministry. Specifically, upon successful completion of the course, students will be better able:

(Course Outcome 1) to apply their theological learning in an integrative way by exercising basic skills of the apostolate (in a parish, campus ministry, on an itinerant basis, or in other contexts) consistent with their religious institute’s charism, tradition, and practices;

(Course Outcome 2) to engage in theological reflection upon their assigned apostolate and upon their own ecclesial identity in relation to it; and

(Course Outcome 3) to use resources to document and communicate their learning about these areas.

The Instructor will assess each student’s achievement of these course outcomes through the student’s participation in an Apostolic Assignment and completion of (A) the Learning Contract, (B) Theological Reflection Papers, (C) Apostolic Skill Modules, (D) the Final Evaluation, and (E) the Final Self-Assessment (all described below under “Assignments and Other Required
Activities”). The “Appendix: Course & Curricular Outcomes Table” at the end of this syllabus relates these outcomes and assessment activities to both the DSPT Institutional Goals and the MDiv Program Outcomes.

**FORMAT:** Practicum in an on-site ministry/apostolate, with an On-Site Supervisor assisting the student with theological reflection and providing assessment to the Field Ed Coordinator.

**CLASS DATES AND TIMES:** This course normally takes place at an Apostolic Assignment occurring over a period of one academic year (normally, one Fall Semester followed by one Spring Semester); the student’s religious institute determines the precise dates involved (including whether the preceding or subsequent summer is included in whole or in part, etc.). There are to be two Audio/Visual e-meetings of all students together with Instructor, one in November and one in March, to be arranged, to discuss experiences of the Internship and theological reflections.

**INTENDED STUDENT PARTICIPANTS:** This is course is for DSPT MDiv students who are approved clerical candidates for ordination to the Roman Catholic presbyterate, who have completed Field Ed Level I. The course is to be taken on a Pass/Fail basis by all participants.

**ASSIGNMENTS AND OTHER REQUIRED ACTIVITIES:** For this course, each student must:

- Participate in an Apostolic Assignment with an On-Site Supervisor (both being selected under the direction of the appropriate superior/director from the student’s religious institute);
- Maintain a personal Field Education Electronic Portfolio, following the Field Education Checklist, in which are gathered electronic copies of the annual Learning Contract, Final Evaluation, and Self-Assessment (eventually containing one of each for each of the four years in Field Education), Theological Reflections, Apostolic Skill Module Documentation Sheets for all completed modules, and the Checklist itself;
- Cooperate with the On-Site Supervisor in maintaining communication with the Field Ed Coordinator.

As implied above, particular written assignments are required; thus, each student must:

(A) Complete a Learning Contract for the Apostolic Assignment, in consultation with the On-Site Supervisor, to be used as a guide and evaluative tool in the course (due by Oct. 1);

(B) Write two Theological Reflection Papers, one in the 1st semester (due Nov. 1) and one in the 2nd semester (due Mar. 1), concerning their apostolate;

(C) Complete at least four Apostolic Skill Modules (ASMs), for the apostolic skills delineated in the Field Education Checklist (for different areas from those completed in Level I), with a Documentation Sheet in electronic form (including a 200-600 word Learning Summary each), for various apostolic skills (due respectively on Nov. 1, Dec.
1, Mar. 1, and Apr. 1);

(d) Facilitate the On-site Supervisor’s **Final Evaluation** of the student’s Apostolic Assignment (your reminder e-mail to the Supervisor is due by May 1; the Evaluation is due by May 15);

(e) Complete the **Self-Assessment** for the Apostolic Assignment (due by May 15).

All these assignments are to be completed using the **most current** template and/or instructions to be issued to the student by the Field Ed Coordinator (typically posted on the Moodle page for the course). The student must satisfactorily complete each of the above elements to receive a passing grade for the course. Each written assignment is to be completed by computer copy (with a filename beginning with the student’s surname), which shall include within it the student’s name, date, course number and title, Field Ed Coordinator’s name, and title of assignment, and is due to be sent **electronically** (to the Moodle site or to the Field Ed Coordinator, as instructed) by the dates indicated. Students who submit assignments late, or whose work is otherwise unacceptable, can expect to receive **additional assignments** that must be completed in order to receive a passing grade for the course.

**MEETING DATES FOR FALL AND SPRING SEMESTERS:** The Field Education Coordinator will contact each participant in the course. The Field Ed Coordinator may organize one required conference call per semester, if circumstances permit, for the support of those in the course.

**TECHNOLOGY REQUIREMENTS:** All students should have access to technology sufficient to complete the course successfully. This includes a computer, laptop, or tablet, with webcam & microphone, with an updated operating system (Windows, Mac, Linux) and an updated internet browser (Chrome, Firefox); high speed internet bandwidth (preferably 10 mbps or greater but at least 3 mbps); Zoom and Moodle software, and the ability to use them. If students experience any difficulties with Moodle, Zoom, or other technology, they can contact Moodle support at moodle@gtu.edu. Students will receive a response within 24 hours.

**REQUIRED TEXTS FOR COURSE**

DSPT INSTITUTIONAL GOALS

Pedagogical Goal: Deep Learning. Motivated by a thirst for truth, the disciplined inquirer is a life-long learner who recognizes fundamental principles in a given field of inquiry and applies them in creative or innovative ways to broader contemporary issues which are of importance to Church, the academy, and/or society. Disciplined inquiry includes the following characteristics:

A1. Integrative Thinking: the ability to recognize, understand, retain, integrate, and apply the fundamental principles operative in a field of inquiry, and use them to make synthetic judgments. (IGA1)
A2. Intellectual Humility: an orientation of mind and heart that fosters intellectual collaboration, precludes both rigidity and passivity of mind, and recognizes that contrary opinions are not a threat, but provide the opportunity to test and deepen one's own grasp of the truth. (IGA2)
A3. Self-Direction: the disposition to take primary responsibility for one's own education, manifested in a keen intellectual interest in the topic of studies, and the ability to teach oneself through a habit of skilled and responsible research and resilient exploration. (IGA3)

Vocational Goal: Collaborative Leadership. A collaborative leader inspires within others the desire to realize the common good by articulating to academy or society a coherent vision rooted in the mission of the Church, all the while leading by example.

B1. Ability to Collaborate: expressed in good listening and communication skills which foster decisions stemming from and leading to an open, transparent, and mutually enriching dialog with others in order that the gifts of all can be appropriately acknowledged and utilized. (IGB1)

MDIV PROGRAM OUTCOMES

By the end of the program, students will demonstrate ministerial and pastoral competency through the ability:

1. [communication] to communicate simply, accurately, and effectively the theological tradition of the Roman Catholic Church through preaching, teaching, and writing (MDivO1);
2. [evaluation] to analyze, assess, and critique theological perspectives and situations through scriptural, historical, systematic, and pastoral theological methods, and to assist others in doing the same (MDivO2);
3. [application] to apply Catholic teaching and theology, especially as exemplified by St. Thomas Aquinas, to pastoral situations, recognizing both the difficulties and the opportunities they present (MDivO3);
4. [collaboration] to lead and to work collaboratively with others in a just, charitable, and generous manner, respecting the relevant cultural, social, and ecclesial circumstances, all the while maintaining professional, ethical boundaries (MDivO4);
5. [Church-uniting] to foster Church communion, demonstrated through consistent dedication to community life, participation in prayer, and leading others in worship and theological reflection (MDivO5).
