

**ENDURATEX™**

# CARE & CLEANING GUIDE

## FOR FORBID TOPCOATED PRODUCTS

**FORBID** dramatically increases the stain resistance, while preserving the integrity of the fabric luster and softness.

**FORBID** Cleaning Instructions:

CLEANING METHOD	STAINING AGENT							
	DIRT	PENMARKS	SHARPIE	PAINT	KETCHUP MUSTARD	LIPSTICK	NAIL POLISH	BLUE JEAN
METHOD 1	X	X						X
METHOD 2	X	X			X	X	X	X
METHOD 3		X	X	X	X	X	X	X

**Method 1:** For most common stains and spills, use mild soap and water.

**Method 2:** If Method 1 doesn't work, use the following household items;  
FANTASTIC – 409 – MR. Clean.

**Method 3:** For tougher stains such as sharpie, paint and lipstick, use a  
70% isopropyl alcohol wipe.

The Enduratex™ care guide addresses the performance of FORBID products as indicated in product testing, conducted under laboratory conditions. Results may vary under actual conditions.

The information contained in the care guide is not a guarantee and does not relieve the use of the responsibility of proper and safe use of a product and the use of recommended cleaning agents. The use of certain agents had been found to be harmful to the surface appearance and lifespan of vinyl, please familiarize yourself with those substrates for best results.

Enduratex™ topcoat, FORBID, is resistant to most common stains; however, existing dyes and pigments in some staining agents have been seen to create a permanent stain if not properly treated in a timely manner.

Enduratex™ maintains the highest vinyl production standards. Anomalies may occur during finishing if the vinyl comes into contact with incompatible forms.
