St. Vincent de Paul offers temporary emergency assistance to those unable to meet their basic needs such as housing, utilities, transportation, clothing, and medicine.

Inspired by Gospel values, the Society of St. Vincent de Paul, a Catholic lay organization, leads women and men to join together to grow spiritually by offering person-to-person service to those who are needy and suffering in the tradition of its founder, Blessed Frédéric Ozanam, and patron, St. Vincent de Paul.

Organized locally, Vincentians witness God's love by embracing all works of charity and justice. The Society collaborates with other people of good will in relieving need and addressing its causes, making no distinction in those served because, in them, Vincentians see the face of Christ.
