

EPIISODE SEVEN - REVIVAL VISITATION: THE HORSE WITH NO NAME STEVE UPPAL & RICK KAUL

STEVE UPPAL SPEAKS WITH RICK KAUL, ALL NATIONS CHURCH TELFORD

Rick Kaul is part of the All Nations senior team and is the Pastor of All Nations campus in Telford. All Nations is a diverse community of different ages, races and languages. The vision is: For all people to glorify God through knowing Christ, becoming like Christ, and making Christ known.

THE CONNECTION BETWEEN REVIVAL, PROPHECY AND ENCOUNTER

Our primary revelation and theology comes from the Word of God and yet God is speaking through dreams, encounters and visions. The meaning and the message behind encounters are helping to explain some of what God is leading us into.

As we get ready for the move of God that is coming there is going to have to be a stripping away of our comparison within churches, ministries and individuals. It is time to step into a simple life that focuses upon Jesus. There will not be a move of God without Jesus coming front and centre. There is a need to change our perspective; we must allow God to dismantle what needs to be dismantled so he can take us higher.

KEY SCRIPTURES - WHAT DOES THE BIBLE SAY?

Matthew 5:9 - There is a wake up call for workers to rise up and be salt and light in the earth.

Isaiah 53 - Jesus came in obscurity to the least likely place and took a humble position; it is time to strip back some of the Western church culture that has crept in.

1 Corinthians 2:2 - The apostle Paul resolves to know nothing except Jesus Christ and the power of the Gospel; it is time to embrace a simple life that focuses upon Jesus.

Isaiah 43:19, Colossians 3:2 - The Lord is doing a new thing and this requires us to change our perspective to a heavenly and eternal one.
