

REAL KOLA

Kola with a K? Well of course – that's how kola nut is spelled!

The unmistakable flavour of a kola drink is achieved through careful selection and balancing of a number of aromatic ingredients. In TÖRST REAL KOLA we use twelve different components to create a complex yet harmonic and fragrant drink based around the traditional West African kola nut.

The round caramel notes from unrefined cane sugar create a foundation for flavours, further complemented by sweet spices such as cinnamon, vanilla and liquorice. Fresh citrus fruits lend a bright freshness which all together balances the aromatic and spicy notes from the kola nut, nutmeg and fresh ginger.

Serve TÖRST REAL KOLA cold over ice at any occasion when you crave a great tasting beverage crafted from highest quality ingredients. Still a soda, just better.
