PREMIERE CLUB SEATING

SHOW HOURS

Premiere Club Seating gates are open from 9am – 5pm

The Airshow runs Friday, Saturday and Sunday from 10am - 5pm, with performances from approximately 10:30am - 4:30pm.

PARKING & ARRIVAL INFO

Parking is available on a first come, first served basis around the city of Huntington Beach. Given the event's popularity, parking close to Show Center will be very difficult each show day. Expect traffic delays and aim to arrive to the event early.

If you live nearby, we highly recommend walking, biking or using public transportation. A designated Ride Share Zone for Uber and Lyft pick-ups / drop-offs will also be available.

Parking options near the beach include:

- **City Beach Parking** (enter from Beach Blvd.)
- **Huntington State Beach Parking Lots**
- **Parking Structure Downtown** (enter from Olive Ave. or Walnut Ave.)
- **Huntington City Beach Parking Lot on 6th St.**

Please obey all posted parking signs.

ENTRY & RE-ENTRY

Premiere Club Seating attendees can enter through Gate D (which is fully ADA accessible). Upon arrival, you will be prompted to show your e-ticket in exchange for an event wristband. With your wristband, you will be allowed to re-enter the Airshow ticketed area.

**Please note, seating is unreserved in this section (unless you reserved a private table for 10 people beforehand). Arrive early to secure your space.*
