

A message for the manager

To be read out loud

1. A licensed medical professional is the only person qualified to give medical advice, including the advice to wear a mask, which negatively affects the respiratory system, neurological system and immune system.
2. Practicing medicine without a license is an offense punishable by law.
3. There is no law in California that requires anyone to wear a mask into any business establishment. Guidelines are not laws.
4. Equal access and accommodations in any business establishment whatsoever is protected by law. No citizen may be discriminated against based on a health condition. (California Civic Code 51 (b). [See reverse for applicable laws.]
5. Any threat of intimidation in this matter will result in law enforcement being summoned.
