Gatwick Detainees Welfare Group

About the Gatwick Detainees Welfare Group

GDWG is a charity committed to improving the welfare and wellbeing of people who have experienced immigration detention, through offering friendship and support and advocating for fair treatment. We primarily work with people detained at Tinsley House and Brook House Immigration Removal Centres (IRCs) at Gatwick Airport. We have around 70 volunteer visitors who befriend and make weekly visits to people in detention. Refugee Tales is the advocacy project of GDWG, which calls for a future without detention, and works with people who have experienced detention to call for change. Refugee Tales produces biennial anthologies sharing the stories of people who have been detained in the UK and uses these tales to speak to people of influence and advocate for change. Refugee Tales holds a 5-day walk every summer, as well as monthly day walks throughout the year to raise awareness of immigration detention in the UK and build community for those who have experienced detention.

This role works across both GDWG and Refugee Tales and is a unique opportunity to gain wide-ranging experience in a committed team.
