- A Junior driver who turns age 8 during the calendar year can start racing while age 7.
- A Junior driver who turns age 15 during the calendar year can start racing as a Senior while age 14.
- A Junior driver who turns age 15 during the calendar year may remain a Junior for the remainder of the calendar year. A Junior driver cannot be age 16.
- A driver can only hold one grade of a National Kart License. It is not possible for a driver to hold a Junior and a Senior license at the same time. Once a driver obtains a Senior licence they can't switch back to a Junior licence.
