For 136 years, Madison Square Boys & Girls Club has navigated times of tragedy and crisis to provide safe places for children and teens. Now, as our nation faces one of its greatest challenges ever, we have launched our Covid-19 Relief Fund—so kids, families, and our city can count on us today and as we emerge from this crisis and stand ready to navigate the long road ahead.

Our initial response, when our Clubs were closed due to government mandate, was to pivot our operations to offer new and critical services to our 5,000+ members and their families. They included:

- Running daily Virtual Afterschool Programs (VAP) to keep our members engaged, on-track academically, and feeling supported.
- Establishing a new weekly Food Pantry Program – sorely needed at time when food insecurity affects 1 in 4 New Yorkers – at each of our six sites across Brooklyn, the Bronx, and in Harlem.
- Conducting weekly parental Wellness Check Ins, to listen in, assess the hurdles our parents are facing, and connect them with Madison and other resources.

Now, in a major milestone, our Clubhouses have re-opened (with limited capacity due to social distancing and other health requirements), and we are offering free summer programming to give parents a safe place to send their children as they head back to work. We will also continue our weekly food pantry programs, and launch a modified summer youth employment program so teens can earn a paycheck and gain valuable work experience.

Your support of our Covid-19 Relief Fund makes all of this work possible. We are seeking to raise $2 million in critical operating support to sustain our organization through the end of our fiscal year, September 30. Unfortunately, Madison is facing lost program and fundraising revenue just as the community needs us most. This includes having to cancel, postpone or reconfigure our all of our major fundraising events, significant sources of annual funding.

Please Join Our Community of Corporate Partners! Now more than ever, we need advocates, donors, and champions like you. Please considering supporting Madison today.

If your company would like to help us in supporting kids and teens who need us most during this unprecedented time, please contact Denise Cante at dcante@madisonsquare.org or visit https://bit.ly/3e3WoYx
