

NEW HOPE COMMUNITY DEVELOPMENT INSTITUTE

Building Hope & An Equitable Future

Affordable Housing | Pathways to Home Ownership | Black-Owned Business Development | Educational & Training Opportunities

- Mission... To empower, enable, and support community members in their efforts to revitalize the Central District and surrounding areas
- Vision... Together, we build hope and a better future in Seattle’s Central District and beyond
- Values... Justice, Belonging, Well-being, Vibrancy, Respect, Joy

2024-2026 Strategic Goals

1) Impact

Retain and expand affordable housing opportunities for Black residents and former residents of the Central District, beginning with ensuring the success of the New Hope Family Housing and Squire Park Plaza

2) Leadership

Expand our board to best help us achieve our strategic impact, deepen community partners, and increase our influence with policy makers, funders and others

3) Partnership

Build the infrastructure and actions to expand our community of supporters and allies in service of our mission

4) Growth

Secure the financial support needed to expand staff and launch new home ownership and business development strategies

For more info

NHCDI serves as a vehicle through which residents and businesses work together to solve problems as well as rebuild and sustain the community. To help build hope with us, contact us at info@nhcdi.org or learn more at www.nhcdi.org. Empower the community with us.
