With Gratitude to Our 2019 Donors…

You are bright lights who make our work possible!

- Strengthen collaborations and partnerships to enhance our collective impact
- Launch a new and improved participant database to enhance documentation and ease replicability of science.
- Invest in specialized training and development to stay current and ensure the network of care continues to expand.
- Launch a new and improved participant database to enhance our reach and ability to serve a broader audience.
- Strengthen collaborations and partnerships to enhance our collective impact.

3. Attended the National Alliance for Grieving Children’s Nurturing Children’s Grief Awareness Month, and Suicide Survivor Day
4. Hosted 10 Project Tomorrow MT’s Leadership Teams and Working Group to enhance suicide prevention and postvention care

We will remember...

“I lost my mother to suicide about six years ago. Tamarack Grief Resource Center has been such a positive program for me and my siblings over the years. I have made so many friends and learned great techniques in dealing with grief. Tamarack has taught me to honor and remember my mother. The most inspiring thing that Tamarack has shown me, that I will carry with me for the rest of my life, is that “death ends a life, but not a relationship.” It makes my heart happy to know all the individuals Tamarack has touched, and it influences me to give back and help others who are going through loss.”

- TGRG Teen Ambassador
