

RCPA, the Australian Pipe Company, is the leading manufacturer of Vertically Cast Concrete Pipes in Australia.

The dry-cast pipe making process was introduced to Australia by RCPA and has been in use for two decades. Vertically casting is the most efficient method of pipe manufacture available.

Benefits of RCPA SRC Pipes;

- Rapid production rates
- Pipes comply with AS/NZS 4058:2007
- Precision Manufacturing technology
- Low impact and sustainable process
