ingredients directions

3 cups vanilla ice cream
 ¼ cup whole milk
 ¼ cup caramel sauce
 1 cup chopped Milky Way chocolate bars

Marshmallow fluff, to the rim glass
 Star sprinkles, to rim and garnish milkshake

1. Place star sprinkles on a large plate. Rub the rim of a large, tall milkshake glass with marshmallow fluff and dip glass in sprinkles set aside.
2. For the milkshake, using a blender combine vanilla ice cream, milk, caramel sauce and Milky Way bars. Blend until smooth and pour into prepared milkshake glass. Garnish with extra star sprinkles.

“Off we go to the... Milky Way!”
