

twix milkshake

Twix is one of the most popular candy bars in the world. While we eat it, we've yet to drink it. Until now. This creamy Twix Milkshake recipe, a blend up of the cookie center, caramel topping and chocolate coating, is well on its way to be the most popular milkshake in the world.

SERVES: 1

julie albert & lisa gnat

ingredients directions

2 cups vanilla ice cream
 2 (50g each) Twix chocolate bars
 ¼ cup whole milk
 1 tbsp chocolate sauce

Chocolate sprinkles, to rim glass
 Marshmallow fluff, to rim glass
 Twix chocolate bar, chopped, to garnish

print

1. Place chocolate sprinkles on a large plate. Rub the rim of a tall milkshake glass with marshmallow fluff and dip glass in sprinkles. Set aside.
2. For the milkshake, using a blender, combine vanilla ice cream, chocolate bars, milk and chocolate sauce. Blend until smooth and pour into prepared milkshake glass. Garnish with chopped Twix bar.

*“You know an odd feeling?
 Sitting on the toilet eating a
 chocolate candy bar.”*
