Reach education leaders and changemakers all year long.

Generation Hope offers sponsorship packages that go beyond HOPE 2024. Expand your reach by connecting with higher education leaders, nonprofit professionals, students, funders and policy makers where they spend their time. Choose a package and price point that is best for your organization and business goals.

Sponsorships include recognition and appreciation in the following far-reaching mediums:

- HOPE 2024 Social Media
- HOPE 2024 Official Sponsor Website
- Generation Hope’s print newsletter
- HOPE 2024 Mobile App

ABOUT GENERATION HOPE

Founded in 2010, Generation Hope is a nonprofit organization that engages education and policy partners to drive systemic change and provides direct support to teen parents in college (i.e. Scholars) as well as their children through holistic, two-generation programming to ensure all student parents have the opportunities to succeed and experience economic mobility. We engage in local and national advocacy work, amplifying the student-parent voice and centering their experiences. We also leverage our data and best practices to serve as a thought partner to colleges, providing them with the tools, resources, and support that they need to implement programs, adjust policies, and change structures and culture to improve outcomes for student parents.

To date, our Scholar Program has served 339 teen parents in college and celebrated 172 degrees. We currently serve 200 Scholars in the DC metro region and Greater New Orleans. We have also worked with more than 20 colleges and universities to enhance their student parent work through our technical assistance program, FamilyU, impacting more than 50,000 student parents across the country. Find out more at generationhope.org.

“By partnering with us, you’ll be able to reach decision makers at institutions and organizations across the country while also helping to create the future that families deserve — one where economic mobility is truly possible.”

Nicole Lynn Lewis
Founder & CEO
Anticipating 400–500 ATTENDEES focused on higher education and economic mobility at the inaugural HOPE gathering.
